Who rules the playgrounds! School Boards or the Town?

A mini-controversy on the unlikely subject of playground equipment served Wednesday night to underline the present sensitivity of relations between District 6 Separate School Board and the Town of St. Albert in regard to the boundaries of their respective authority.

The dispute had its origins in a request by parents of students at Sir Alexander Mackenzie School to Principal L. J. Thronson to investigate the possibility of locating new playground equipment to be allocated by the Parks and Recreation Department of the town on school property. Mr. Thronson then sent out a form letter and signature form to parents for them to sign if they agreed with this premise.

Already having this information from the parents, Superintendent Elmer Gish recommended that the board authorize Mr. Munro, chairman of the Joint Use Committee to submit this parental input to the mayor. The recommendation to the board also suggested to council that this location would maximize the use of the equipment and to provide adult supervision during the school day. The Catholic School Board has apparently

sent out similar forms.

However, this mode of polling the public met with displeasure from more than one source. The District 6 was not asked to approve the forms until after they were sent out to parents. Trustee McCaffery expressed her disapproval of this and Please Turn to Page 2

General plan progress slow but steady

Progress on the completion of St. Albert's General Plan is slow but steady.

A number of background papers, on community facilities, population, recreation, housing, transportation, utilities and growth constraint will form the "guts" of the General Plan text.

All of the background papers are expected to be completed by mid-January of next year.

A study outline of the General Plan is underway and this could be discussed with the MPC (Municipal Planning Commission) January 6, 1977. Discussion is expected to centre around the kind of General Plan wanted, a policy document, technical document or public relations document.

Public meetings for input

on the general plan are not expected to get underway until April of next year.

The town will likely prepare a brochure to be distributed to the public before the hearings take place.

The cost of the General Plan organization and text preparation is \$18,000 plus expenses.

ALBERTA TRANSPORTATION has agreed to fund two thirds of the cost of a transportation study for St. Albert to the maximum of \$4,400. The draft of the study has been completed and the Transportation Steering Committee is meeting this week to review the preliminary study findings with the consultants.

Reports, programs, city changes occupy District 3 Trustees

The District 3 School Board held its regular meeting Monday night at the Board office at 7:30 p.m. and several committee reports were heard.

Following the finance committee's report, a report from the policy committee was heard about discussion of internal substitution and various methods of program substitution. More discussion on the same subject is to take place within the committee. Dr. Zielinski had requested a survey in the schools to determine when, where and why internal substitution took place. The committee had also discussed the school year, lunch policy, and the fact that textbook rental fees had not been adjusted since 1971.

Mrs. Elsie Lockert gave a report from the awards committee telling the board that a suggestion had come from the high school for a trophy that would hold 15 years of names of students winning the Grades 10 and 11 Christian Education Awards from the Grey Nuns. The trophy would cost \$170

and would contain a picture of the boards' choice. This has not been finalized as monetary awards are also being explored. Mrs. Smith added that small plaques

could be considered as well. Mrs. Lockert said that more names could be added to the large trophy in the future and that trustees could look at the

Development agreement up for Board Six scrutiny

"It ruined my dinner!"

This was the caustic assessment by Dr. William Cuts of the 22-page development agreement, with the Town of St. Albert for the West Grandin School. Copies of the agreement were belatedly delivered to the District 6 Separate School Board of Trustees only a few hours before their regular

meeting Wednesday, December 8th, although the agreement was approved by council November 29. Dr. Cuts was the only member able to peruse the document in time for the meeting. The board passed a motion to review the agreement and attempt to clarify certain parts of it.

City status means extension of '76 assessment

St. Albert came to grips with a pleasant surprise last Monday night; because the town becomes a city in January, an extension of this year's assessment will be made for one more year.

This was learned at the committee of the whole meeting December 13.

Town Administrator Bob Byron, the budding city manager, explained that under section 29(3) of the Municipal Taxation Act, "the Minister will approve an extension of the current assessment for one more

year."

He continued that in 1977, the general assessment of 1976 will be updated and it Please Turn to Page 2

The respective school boards of Districts 3 and 6 closeted themselves in a session closed to the public and press Tuesday night to discuss a variety of items of mutual interest. The draft Please Turn to Page 2

Record number get swine flu shots

Over 1,100 people between the ages of 20-50 years received swine flu shots at the Sturgeon Health Unit on Monday between the hours of 11 - 2 p.m. and 4 - 8 p.m. Sheila Durkin, medical officer of Health reports that approximately 12 percent of the population in this age group had been done by Tuesday. According to the figures the Health Unit has there are about 9,500 residents in this group. Police, fire department and health services people were done as a separate group, but many of them were in this age group. Some St. Albert people working in Edmonton may also use city clinics.

The Health Unit is assisted at the vaccination clinics by members of the St. Albert Kinettes, who help with records, registration and having people ready in the assembly area. "In this way we can relieve the nurses from other than their professional duties," said Beryl Schoultz of the Kinettes,

"and the Health Unit can handle 300 per hour if they are ready." The Kinettes provide six women per day.

Dr. Durkin said there was sufficient vaccine on hand for today and hopefully more will be arriving for next Please Turn to Page 2

Playgrounds slated for Town

St. Albert council's committee of the whole looked at six possible creative playgrounds for the town at its meeting last Monday night.

Their site descriptions are: Flagstone Park, Alpine Park, Forest Park, Gatewood Park, Langley Park, as well as a park slated near the Sir Alexander Mackenzie school.

A delegation at the meeting from Parks and Recreation was spearheaded by Gerry Jaycocks as well as Please Turn to Page 2

Owing to the shorter work week of December 20th, we find that the deadline will have to be brought forward from Monday 9 p.m. to Monday Noon. This is for all advertising including classifieds and news copy.

The management and staff hope this request will not cause too much inconvenience.

A new mayor and councillors? Possibly a few years from now the Town's business will rest in their capable hands but for the time being these young people will occupy their time with the usual pastimes of their age. Last Saturday they were kept doing Christmas crafts at the Town Hall Annex with Mrs. McCreath and Mrs. Nelson of the Library.

flu shots

Cont'd From Page 1

Monday, when the same hours will be in effect. The record number of over 1,100 persons was handled at a steady pace, with no long line-ups, and the shots take from five to 10 minutes in most cases, when Dr. Durkin. She added that very few have any discomfort afterwards, but some may experience a shivery, aching feeling which should be treated the same as the onset of a cold. Records at the Unit indicate about five percent have some after effects, which is the same as the national average.

Residents are reminded that the Health Unit is now in the new building at 23 Sir Winston Churchill Avenue, across from Grandin Mall.

Protection from the swine flu shots last about three years according to past trials, with a dwindling protection as the time passes, Dr. Durkin noted.

slated

Cont'd From Page 1

Creative Playgrounds Chairperson Vi Oke and Community Developer Lee Carter. The delegation put forward recommendations to committee of the whole relating to the development of creative playgrounds in St. Albert over the next two years.

There was particular emphasis on a playground near the Ronald Harvey School, which would be known as Langley Park. This playground comprises elaborate equipment ranging from a 30 foot long, 14 foot wide pirate boat, swinging tires, rotary walk, dina-tires, sand water-fall, swinging bridge and big toy equipment.

Later, a request for \$6,000 over the next two years to front end the Langley Park development came from the delegation and it should come up before a council meeting soon.

Forty thousand dollars is available for the Ronald Harvey creative playground

and given the go ahead, prefabricated structure could be completed by January 1st and sunk into the site by March next year.

There was some discussion on the liability and viability of specific structures which could go into the playgrounds.

"We're hardly the people who would want them unsafe," said one parent at the meeting, accepting however that a plaything "which had no risk was probably boring." There was bound to be some element of risk, the parent added, but this had to be tempered with adult judgement.

Architect Malcolm Holt said that some equipment in Edmonton's Mayfair Park were "straight off the drawing board" but that children seemed to know their own limits when playing on them. He cited there had been only one case of injury he had known, and that was when a girl had sprained her ankle after she had been "pushed" into playing with equipment she did not want to use.

Both Councillors Margaret Smith and Gary Wetich expressed concern over safety factor, particularly over equipment which was untested.

Mr. Carter brought forward experts who cooled the councillors' nerves with respect to liability regarding the play equipment.

With regard to the creative playground concept, Councillor Barry Breadner pointed out that the greatest successes came when the community was enthusiastic, (as it was in this case).

Councillor Rod Thordson complimented Ms. Oke on the project and said it would "maybe make St. Albert very special."

Councillor Smith said the item was one of the more enjoyable council had had to look at recently.

Council members also asked to consider one large area for all field sports in St. Albert. It is likely to consider this when it looks at open space planning early next year.

The field sports which would be represented in the special area, (yet to be decided upon) would be baseball, football and soccer.

who rules

Cont'd From Page 1

pointed out it wasn't the first time the board had been asked to approve an act after its execution.

A stronger statement of displeasure came from Mayor or Richard Plain in a letter to the Joint Use Committee. The mayor felt the location of equipment was up to the town, not the schools, and felt that any reference to adult supervision during the day would indicate an obligation on the town's part to hire a playground supervisor.

Both Mr. Munro and Mr. Webber agreed with the mayor that there had been an element of interference in the town's business, and Mr. Webber said that he and Mr. Munro would respond by letter to the mayor to minimize an impression of interference in town affairs. Mr. Gish also said this was not intended to appear in this light.

District 3

Cont'd From Page 1

trophy to determine their response.

At this point, Mrs. Lockert mentioned that she would like information sent to the schools in regard to the formation of an ad hoc nutrition committee, and Dr. Zielinski asked if she was suggesting that the nutrition committee would have input to the kitchen situation at Vincent J. Maloney School. Mrs. Lockert answered affirmatively.

INSTITUTES EVALUATED

The board then heard evaluations of the two institutes or professional development days held last month from Sister Helene Thomas and Cathy Stewart of the ATA.

Sister Helene had polled teachers on their evaluation of the religious portion of the program and reported a

"very favourable" reaction to the speakers, particularly to speaker Father Ron Rolheiser. The only negative comments she had received mentioned that those submitting evaluations wished they could have heard all the speakers in a longer program, instead of picking two sessions to attend.

Some discussion of the evaluation forms ensued, and the approximate figure of 75% filled out was deemed "good" by Mr. Soetert. Both Sister Helene and Mrs. Stewart reported overwhelming positive response to Dave Merchant's talk on practicing caring while teaching, called "Love in the Classroom."

In Mrs. Stewart's report she mentioned that the ATA owed the board half the cost of the Institute and that it would be paid prior to the end of the year. She went on to say that the response to Dr. Eleanor Gilchrist's talk on children with learning disabilities was excellent.

Mrs. Stewart said because of the success of Mr. Merchant's talk, many missed the Learning Disability portion so that the session on practical classroom aids was cancelled. She requested an additional half day for this "vital" topic, as she had four out of 32 children in one class who had learning disabilities.

Mrs. Stewart suggested to the board that one school act as "host school" for professional development days, rather than the present system. Some discussion ensued here, comparing the number of development days held in Edmonton, which totals many more than can be facilitated here.

ANNUAL MEETINGS ELIMINATED

Also discussed later in the board meeting was the affect of St. Albert's approaching city status on the formerly held annual meetings with the taxpayers. As a city, boards will no longer be required to do this. Dr. Zielinski suggested that seeing the main concern of these meetings had been finance, that the finance committee come up with some alternative methods of communicating with the taxpayers, perhaps more effective than that afforded by the town

meeting. Trustee Peter Freeman agreed with this, and with tongue firmly in cheek commented that "that's why we get paid this vast amount of money -- to sit and take abuse!"

Mrs. Ann Smith presented a report from the Administrative Council and it was agreed that it needed further study by board members.

The board looked at a package on program alternatives, and some discussion followed about the new Industrial Arts program with its emphasis on videomatics versus the old industrial arts program. Mrs. Lockert wanted to know how many teachers would be required to teach the new program. Also in regard to programs Dr. Zielinski informed the board that a sequential elementary program for French was being developed for French for Grades four to 12.

The official opening of Bertha Kennedy School was discussed, and a suggested informal program was looked at. Mr. Freeman mentioned that as this was a community school that the opening could involve all members of the steering committee of the community school program. Mrs. Lockert suggested that the community school coordinator might have suggestions for the opening. This matter was referred to the January 3rd regular board meeting.

Under correspondence, the board received a letter from Mr. Frank Robinson of Sturgeon School District regarding the tuition fees paid for students coming from the Sturgeon district to attend school in District 3. Although they had originally requested a tuition fee of \$200 per student, the board moved to accept Sturgeon's lower offer of \$160.00. The motion carried.

both meet

Cont'd From Page 1

development agreement between the Town of St. Albert and the District 6 Separate School Board regarding the proposed West Grandin School is expected to take top priority, with playground equipment and annual meetings with ratepayers also on the agenda. The Principals' Association is also slated for discussion. The joint board meeting took place in the District 6 Board Office, 60 Sir Winston Churchill Avenue at 7:30 p.m.

status

Cont'd From Page 1

will become the assessment for 1978.

Basically this means that the present assessment will be carried forward for a longer period, "and the work will be up-dated in the house" i.e. by the government.

This will mean the whole assessment process for St. Albert will be simplified. And Mr. Byron pointed out there would be many other things the town would learn in the transition from town to city.

Mr. Byron was replying to the concerns of Councillor Rod Thordson, who raised the question of "whether city status will have any other surprises for us."

AGT GOOD NEWS PARTY LINE

The St. Albert CGIT group formed this fall would welcome girls from grades 7 - 12 from any district of St. Albert and anyone interested is invited to call Diana Ward at 458-2577, or Sharil Ford at 458-1644.

The Sturgeon Health Unit is presenting a Stop Smoking Course at their offices in St. Albert (Churchill Avenue across from Grandin Mall) beginning January 3rd and running through five sessions, the last one on January 10. Held in conjunction with the Alberta Lung Association, there is no charge for the course and enrolment will be 20. To enrol phone the Health Unit at 459-6671

The Richard Eaton Singers, with members of the Edmonton Symphony Orchestra, will be performing MESSIAH by G. F. Handel, at All Saints Cathedral, 10035 - 103 Street, Edmonton, on Saturday, December 18 and Sunday, December 19, 1976, at 8 p.m. each evening. Conductor will be Larry Cook of the University of Alberta Music Department, and tickets are \$3.50 for Adults, and \$2.50 for Senior Citizens and Students (16 and under), available at the Cathedral Office, Mike's Ticket Office, the University of Alberta Music Department, or at the door.

Parents, Board

discuss grade one under-staffing

District Three of the School Board responded last night to a rumble of discontent from a representative of a group of parents of Grade One students.

The exchange between the Board and Mrs. R. Jakubec occurred during the board's regular meeting, after a finance committee report on the issue of increasing teaching staff at the Grade One level. Mr. Howrish had stated that if the increased enrolment at Bertha Kennedy for Grade One continued after Christmas, there would be a corresponding staff increase from 1.5 to 2, meaning an additional half time teacher. Mr. Howrish proposed a motion to this effect.

At this point, however, Mrs. Jakubec rose on behalf of the parents involved, saying that she was in the process of gathering names for a petition protesting understaffing at the grade one level. She stated that she had not had time to poll many parents in time for the meeting but that more names were expected. Mr. Steve

Sieben, chairman of the board, replied he thought that the proposed motion indicated the board's concern and response to the situation. Mrs. Jakubec countered by asking if the one additional enrolment didn't take place, would the situation remain the same?

At this point, Dr. Zielinski suggested a vote on the motion before them or a move to table it. Mrs. Lockert suggested tabling to leave the issue open-ended. Mrs. Jakubec interjected that the parents would be willing to pay the increased cost of an additional teacher, but was informed by Mr. Sieben that the board was not permitted to levy extra tuition fees. He stressed that the situation was being monitored by those concerned.

WHAT IS MAGIC NUMBER

However Mrs. Jakubec interpreted this to mean "the board doesn't feel it is serious enough to warrant further attention." Mr. Howrish expressed the diffi-

culty in determining "the magical number" for maximum enrolment and pointed out that other classes are near to that number of the grade one class. Mrs. Jakubec's parting comment was that the "parents are very unhappy about it, to put it bluntly!"

Mrs. Lockert then made a motion to table the motion to enable parents to finish their petition and the board to peruse the matter. Mr. Freeman pointed out that tabling could result in delaying the parents' actual wishes if the increase did occur and the extra staff member was hired. After considering this possibility Mrs. Lockert withdrew the tabling of the motion and the motion carried.

A further informal appeal regarding the grade one program was made later in the meeting by Cathy Stewart, grade one teacher. Mrs. Stewart had herself initiated two new reading projects and requested additional materials. Mrs. Stewart termed the Grade One situation "intolerable." Mr. Sieben indicated that further funding was impossible as the school had overspent its materials budget by \$11,000. Mr. Soetart said because of a materials centre action the situation was the same all over, and that a lot of teachers would have to do without. Dr. Zielinski inserted a comment about confused priorities within the school, citing the fact that while the gym is not complete, there were several basketballs, at about \$15 each being held unused in storage.

Pitch and Spice present the Magic of Christmas

Pitch and Spice have put together a Christmas program of traditional and modern carols for the enjoyment of everyone on Friday, December 17th at 8 p.m. at the St. Albert Roman Catholic Parish Hall.

Advance tickets are available from Pitch and Spice members or Sweetheart Jewellers.

This program has already been presented at Fort Saskatchewan Gaol and the Glenrose Hospital.

All Pitch and Spice members are looking forward to your attendance and enjoyment of this special Christmas presentation.

Last Wednesday morning the children of the Montessori Kindergarten visited the residents of the Yonville Home, sang Christmas carols and entertained the folks there. Among the many items in the children's program was the Candle Dance performed by Jennifer Twiss, Karen Burgland, Sheri Clark, Kelti-Lee Caplan, Patil Johkman, Cathryn Taylor, Martina Strack and Danielle Childs. Montessori Kindergarten co-ordinator, Esther Matthews and teacher's aid, Keyon Rosenthal were very happy with the reception the children received and reported that the children were very excited about their visit.

RCMP Report

The operator of a truck that was struck by a westbound CN train on 118 Avenue on Friday, December 3rd, has been positively identified through dental records as Eon Clyde Deer, 27 years, of Red Deer, Alberta.

Albert are actively investigating the break-ins and vandalism at local schools, but to date, have not made any arrests.

There appears to be an increasing number of thefts

of Christmas lights within St. Albert, and homeowners are requested to report any incidents to the RCMP Police in order that adequate patrols and investigations can be completed with a view of deterring these thefts.

The RCMP Police at St.

Lacombe Park Lake looks good for fishing

The St. Albert Parks and Recreation Department is looking at a recreational program to be developed in conjunction with the new lake at Lacombe Park.

Some activities which are being considered at the lake are fishing clinics and fly tying on site, and fishing derbies, as well as casting competitions.

Fish derbies could be sponsored two or three times a year by the local business community.

The Parks and Recreation Department is also considering the hire of paddle boats which could be used on a seasonal basis, as well as a supervised canoeing program. The canoeing program could be offered as a leisure program as well as part of a

hunter safety program in conjunction with such organizations as the scouts and beavers.

The lake would also be ideal for model boat sailing.

A sound system is suggested as being an integral part of the development from the point of view of programming and emergency.

A shelter could be built at the lake to provide for changing when the lake would be used as a skating rink during the winter.

The Parks and Recreation Department expresses the hope that barbecue pits will be considered for residents' use in the vicinity of the lake. The department has been looking at lakes in Calgary and Edmonton for input into the use of the Lacombe Lake.

District 6 Board

forms committees

The members of the Board of School Trustees for District Six announced the composition of their committees at their regular meeting on Wednesday night, December 8th.

Mr. Webber, chairman of the board, proposed that the structure of the committees remain the same as the

previous year. This places Mr. Murdo MacFarlane at the head of the Buildings and Properties Committee, with Dr. Cuts, Mr. Munro and Mrs. McCaffery form the Education Committee; Finance Committee, Mr. Webber and Dr. Cuts. The Committee for Negotiations Please Turn to Page 5

District 6 Separate School Board Briefs

The following are resolutions passed by the District Six Protestant Separate School Board in committee of the whole on November 24 and approved at the last meeting of the Board, December 8.

The secretary-treasurer was authorized to hire an additional caretaker for Paul Kane High School with hours

set to cover necessary lunchroom clean-up.

Mrs. J. Nerminsky, lawyer for the Alberta School Trustees Association, was authorized to present the board's case at the arbitration hearing, in regard to a change in the hours spent in school by Grade One students.

Pending resolution of the

CUPE dispute, the board will authorize an eight percent pay increase retroactive to January, 1976 for all employees of the CUPE bargaining unit.

The principal of Paul Kane was authorized to have all vehicles parked in unauthorized areas towed away. The area involved is to be

adequately and properly posted.

The grounds of Paul Kane High School are to be fenced to prevent entry of unauthorized vehicles.

The board also heard some brief reports, items, and appointments.

The board was informed by Mr. MacFarlane that the Paul Kane cafeteria will be opened in January.

In a brief report from the Education Committee, Mr. Munro complimented the Ronald Harvey administration and staff on a "very good" informal presentation of the schools programs and activities. Terming the program "excellent" Mr. Munro remarked that the turnout of parents was low.

The board received a report from Mr. Webber, the finance committee chairman, informing them that they had closed the year in the black, with a small surplus. He said they would meet to decide what to do with the surplus.

The designation of grade levels for West Grandin School was referred to the education committee.

The board accepted the appointment of Mrs. Audrey Ursulak on temporary contract, effective December 1. Mrs. Ursulak has four years of training, and six years of experience.

The board heard a brief report from Dr. Cuts regarding items from the

Chamber of Commerce. He said that the Devonian Foundation has expressed interest in contributing to improvement of the area in

St. Albert adjacent to the river. A team was to arrive Friday to look over the area with this in mind. A decision will be made in mid-January.

Safety Council considers noise control

The St. Albert Safety Council meeting was held on Thursday, December 9. Visitors at the meeting were Mr. Kelly-Daniels, the social worker for St. Albert, and Constable Dick Cockshott of the local RCMP.

Arising from the minutes of the previous meeting, it was reported that the St. John's Ambulance First Aid course will not be held until after the Christmas season.

The major part of the meeting was concerned with vehicle modification. Mr. Alan Smith, a new member of the council, has gathered information on the different modifications made to cars and motorcycles and the possible adverse safety conditions these present. Some of these modifications include width, size and type of tires, the raising of the rear-end to accommodate the larger tires, noisy mufflers, stubby exhausts and the removing of catalytic converters. In motorcycles brakeless from wheels and front wheels moved forward on long forks.

Constable Cockshott was very helpful in advising what the Alberta Highway Traffic Act allows and what the RCMP can do to correct these safety hazards. There are very few controls set down in the Highway Traffic Act. There will be a follow-up article on vehicle modifications with more specific details given on possible safety hazards arising from these modifications.

Mr. Kelly Daniels was very informative on his work with the local teen-agers. He feels the biggest problems are alcohol and vandalism and these could be decreased by getting the young people interested and busy in working groups. At the present time there are approximately 125 teen-agers in the existing Teen Clubs and he hopes to help organize more of these clubs and possibly to arrange for permanent quarters for the clubs to hold their activities.

Mr. Daniels was very optimistic for future teen involvement in St. Albert.

The next meeting will be held on Thursday, January 13th at the Social Services Department office, 20 Muir Drive. The members of the Safety Council wish the citizens of St. Albert a safe and happy holiday season.

Sterling Street not recommended for closure

Following a request in early November from about 60 residents of the Sunset Boulevard - Sterling Street area for a crack-down on noisy vehicles in the locality, St. Albert has recommended in a report that Sterling Street should not be closed and the "problem is one of enforcement."

Sterling Street is a "natural" for squealing tires and noisy vehicles; vehicles are sometimes forced to make a quick start as they cut across the St. Albert Trail in a left turn.

Residents claimed these vehicles were making life intolerable for them, particularly at night and had asked town council to sharpen its noise bylaw at the early November meeting.

In a memo issued as part of the November monthly report the town shows it has dealt with the complaints on the Sterling Street traffic problem as best as it can.

The memo, from Town Engineer Don Corrigan shows that to close off Sterling Street would have a number of disadvantages.

Fourteen hundred and ninety vehicles a day use the street, according to a town survey and this traffic would be forced to use Hebert Road if Sterling Street were closed.

It is pointed out that Hebert Road is already over capacity at peak hours.

Also closure of Sterling

Street would "increase the amount of traffic through the school zone on Sunset Boulevard."

The report also points out that traffic which wanted to go north on Highway Two would be forced into the "circuitous" routes on to the main highway via Perron and St. Anne Streets and Bishop Street and Sturgeon Road following any road closure.

A noise bylaw would not be a solution as there would be real difficulty in the town enforcing it.

The report continues that a partial solution of the Sterling Street traffic problem might be the installation of a temporary median to permit only right-in and right-out turns on Sterling Street.

The report says "this will not solve the problem of vehicles heading southbound during a.m. peak periods as they would have to use Hebert Road." But the report adds this improvement would allow p.m. peak hour traffic to use Sterling instead of Hebert Road.

The report concludes that

"when the widening of Hebert Road between Cunningham Road and Highway Two is completed, and the intersection at Hebert and Highway Two is improved, most of the Sturgeon Heights traffic using Sterling Street will be attracted to Hebert Road."

Access to Hebert and the Highway will then be greatly improved and much more attractive to Sturgeon Heights traffic."

District 6

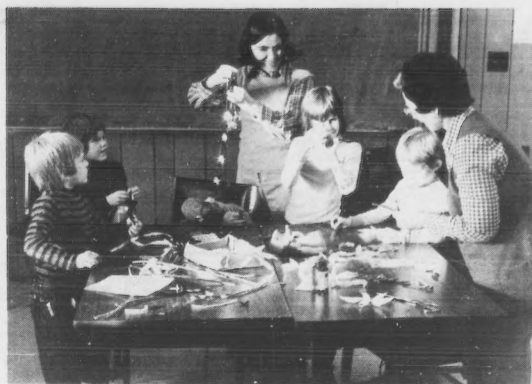

Cont'd From Page 3 with the Alberta Teachers Association, Interpretation and Review will consist of Mr. Webber and Mrs. McCaffery, Mr. Munro and Mr. McFarlane will handle CUPE negotiations, and Mr. Munro remains the Board's representative on the Joint Use Committee.

It was decided that sabbatical leaves will be decided by the Education Committee.

CARD OF THANKS

Thank you to the following for their help and co-operating in finding our Welsh Corgi - R.C.M.P., District Schools, The Gazette, Ross Tupling [Animal Control] and all those concerned residents of the Lacombe area.

THE CULLIGAN FAMILY.

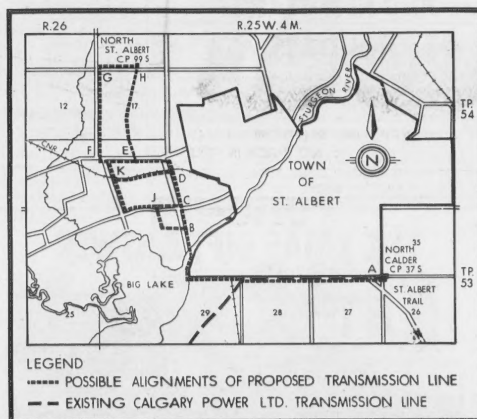

Last Saturday a group of children gathered at the Town Hall Annex to take part in a workshop sponsored by the St. Albert Library. Mrs. McCreath and Mrs. Nelson taught the children a number of Christmas crafts which all seemed to enjoy thoroughly.

NOTICE

138 kV TRANSMISSION LINE IN THE ST. ALBERT AREA

APPLICATION NO. 9769

TAKE NOTICE that, unless objection by a person having a bona fide interest in the matter is filed on or before January 4, 1977, with the undersigned and with the applicant at its address set out below, the Board may grant an application by Calgary Power Ltd. for a permit to construct and a licence to operate a 138 kV transmission line from North Calder substation CP 375 to a new North St. Albert substation CP 995.

The proposed transmission line would parallel an existing 240 kV single circuit steel tower transmission line for the first two miles and then travel in a westerly and northerly direction along one of several possible route combinations, all of which are shown on the attached map, to the new North St. Albert substation. Most of the possible route combinations are located on road allowance with the exception of the possible alignment from E to H and the possible alignment from B to J. One other possible alignment is located on railroad allowance from D to K. Calgary Power Ltd. has stated a reference for route A.B.C.D.E.F.G.H.

The Board also wishes to advise that objections relating exclusively to matters of compensation are beyond the jurisdiction of the Energy Resources Conservation Board.

Copies of the application and information and particulars filed in support thereof may be obtained by interested persons from the applicant, Calgary Power Ltd., 110 - 12 Avenue S.W., P.O. Box 1900, Calgary, Alberta, T2P 2M1. (Attention: Mr. E. J. MacLeod, Director, Regulatory Applications and Transmission Consultant).

DATED at Calgary, Alberta on December 3, 1976.

N. A. MACLEOD, BOARD SOLICITOR
603 - 6 AVENUE, S.W.

Blizzard failed to knock out Chamber meet

In spite of a blizzard which severely affected attendance at the regular meeting of the St. Albert and District Chamber of Commerce December 7, the 16 members and guests who did turn up got through some fairly meaty business.

Former Chamber vice-president Bill Tchir is now president for the 1977-78 term, with Peter Zuidema stepping down from pre-

sident after a year in office. New vice-president is Gary Johnson, the former secretary-treasurer. And the Chamber split the secretary treasurer portfolio in two this year, so that the new secretary is Dianne Proctor and the treasurer Thierien Bennett.

Chamber directors for the coming year will be Dr. William Cois, Ray Gibbon, John Grave, Gary Hodgins,

Vince Maloney, Harry Hutchings, Bill Gardiner and Paul Chalfoux.

The recent controversy over the Daon Development's proposal for a 68,000 square foot shopping centre in five acres of land in Forest Lawn prompted some input from the Chamber.

At the next board meeting of the Chamber, a committee will be struck on the shopping centre facilities problem in St. Albert and the committee will be ratified at the next general meeting of the Chamber.

If a massive shopping centre had gone in north of St. Albert on Highway Two, "the effect on businessmen in this town would have been disastrous," Vince Maloney pointed out. Mr. Maloney felt that the \$40 million a year of business which went to the city from St. Albert affected the Chamber of Commerce.

And he wanted the town to "have a heart" and not to be split into four villages, which is what would happen if there was uncontrolled shopping centre development.

If the development was not central, then St. Albert would never "break the habit of shopping in Edmonton." Ray Gibbon saw the shopping centre hassle going back to 1972 and complained the town had passed up so many shopping centres.

"I want my taxes to go down," he said.

The Chamber is looking at hiring a part-time paid secretary, to help it through its increasingly heavy business.

"I'm thinking of a beautiful girl who takes shorthand," said Mr. Gibbon.

Earlier it had been pointed out that the load seemed to

have been getting to the present secretarial staff, who had dated the last general meeting for the Chamber this year for December 7, 1977.

The Chamber's annual banquet in the Club Mocombo, January 22 looks like being a big affair. The Citizen of the Year presentation will be made, but nominations for it close

December 15th.

Social Credit Leader Bob Clark will be asked to speak at the banquet which will get underway with cocktails at 6:30 p.m., with dancing and other celebrations going on till 1 p.m.

Next year, general meetings of the St. Albert and District Chamber of Commerce will be held in the St.

Albert Inn.

Lady Lions entertain husbands

Lady Lions and their husbands had a gala Christmas party December 6. Our host for the evening was Gerda and Jens Jorgensen. The highlight of the evening was the delicious dinner of Curried Chicken and Curried Rice. The able hands of Nargis Bhimji prepared this excellent meal. We hope Nargis didn't keep count of how many times the husbands went back to fill their plates. Mind you, I think all of the ladies had seconds too.

A special Lady Lions thanks goes to Nargis. It was great!

Attention Lady Lions - The next general meeting will be at 35 Geneva Crescent, January 10 at 7:30. This will be our last one in preparation for the mid-winter Convention.

Merry Christmas to everyone.

Optician joins local office

Rheal Cormier, optician, who is now associated with Dr. D. LeDrew on Grandin Ave., will be manufacturing eye glasses in St. Albert. Mr. Cormier has 10 years' experience in manufacturing and repair of lenses, including bifocals, trifocals and plastic lenses, and will be doing this work in the lab at Dr. LeDrew's offices.

He was previously with Bausch and Lomb in their Edmonton and Regina labs. Originally from St. Boniface, Manitoba, Mr. Cormier is fully bilingual in English and French. Mr. and Mrs. Cormier will be moving from the city to St. Albert.

OTTAWA and Small Business

Centralism breeds division

By KENNETH McDONALD

Politicians coin slogans to win votes. "Canadian Unity" is a current favorite. "Canadian Disunity" would be more accurate.

By its centralizing policies, Ottawa has succeeded in dividing Canada as never before. Trying to force uniformity upon different and widely separated regions, it has set business against labour, labour against business, and government against both.

Canada's labour movement recognizes that tripartite planning is inappropriate for Canada but it is being driven in that direction in reaction to Ottawa's centralist policies.

By conceding to absurd wage demands from militant civil service unions, Ottawa has set a pattern which has made it impossible for Canadian industry to maintain a competitive cost structure.

Through the abuse of its taxing powers, Ottawa has seriously damaged resource development in Alberta and British Columbia. By subsidizing transportation costs, by income transfers and by locking Atlantic Canada and other regions into Central Canada's economy, Ottawa has forced those regions into dependence.

Ottawa has used its taxing power to grab control of provincial matters and force provinces into extravagant schemes against their will. This year's federal health and welfare spending is \$10.93

billion, 25 per cent higher than Ottawa's total budget of just 10 years ago.

Of all the world's industrialized countries, Canada is the least suited to collectivist doctrines. Small packets of people stretched over 3,000 miles simply cannot be jumbled into one big container.

Of all the world's industrialized countries, Canada is the one best suited to a political philosophy based on decentralization of power.

Yet politicians and bureaucrats are the policies of close-knit, homogeneous countries such as Sweden and Germany which are as different from Canada as chalk from cheese.

Natural forces are reversing the centralization process. The economic and social pressures created by costly energy and slow economic growth will encourage the development of small-scale technology and small-scale industry more widely dispersed throughout Canada.

Speaking this month at an international symposium, Canadian Federation of Independent Business President John Bulloch warned that if Western countries fail to reinforce these natural pressures toward decentralization they "will become increasingly difficult to govern by democratic means; and our democracies will be replaced by various forms of bureaucratic authoritarianism and central planning".

Inaccurate...

An article in the December 8, 1976 issue of The Gazette under the heading "Driveways are not for parking your vehicle" was misleading - causing unnecessary concern for many residents of St. Albert.

The article reported recent warnings issued by the Town of St. Albert Bylaw Enforcement Officers regarding the operation, parking and storage of certain classes of vehicles in residential zones.

It was implied that overnight parking of any vehicle on the roadways or even driveways in residential areas could be considered a convention offence. The use of land for parking and storage of motor vehicles is restricted but not "prohibited" in all cases. Within certain guidelines, residents are free to park their cars and storage trucks in their own driveways or on the street in front of their homes and to store their cars, campers, trailers, etc., on their own property.

What restrictions there are generally apply to large, heavy vehicles, to dismantled or wrecked vehicles and to other objects that create unsafe or unsightly conditions. The primary objectives are to minimize potential obstructions to emergency vehicles and equipment and to preserve the amenities of residential districts.

To overcome the confusion generated by the article in The Gazette, residents should be more fully informed of those restrictions that do exist regarding the operation, parking and storage of vehicles in St. Albert.

While overnight, "street" parking of automobiles and small trucks is acceptable in most residential areas, the storage of vehicles on the street is not. Vehicles left standing for more than 48 hours consecutively at one location on any street are considered stored thereon.

Vehicles exceeding one ton rate capacity or vehicles with attached trailers, the overall length of which exceeds 24 feet, cannot be parked on any street between 7 p.m. and 7 a.m., or at any time of day or night at a location in front of, across from or on the flankage of residential property.

Vehicles exceeding 35 feet in length or 7,500 pounds gross vehicle weight cannot be operated or parked on streets other than those designated as "Truck Routes" except for loading and unloading and other activities specified in Bylaw No. 34/71. When driving to and from locations off the Truck Routes, the most direct route must be taken. (Persons driving public passenger

vehicles, school buses and Town-owned vehicles are excluded from the restrictions of this bylaw).

Commercial vehicles weighing in excess of 9,000 pounds cannot be kept in any part of any residential zone for longer than is reasonably necessary for loading and unloading.

And, dismantled or wrecked vehicles cannot be stored in any residential zone for more than seven successive days. In fact, the storage of any object which is unsightly or tends to adversely affect the amenities of the district is prohibited.

An increasing number of bylaw infractions whereby large commercial vehicles have been parked off the designated Truck Routes or commercial driveways, as well as an increasing number of complaints from residents have forced the Town's Bylaw Enforcement Officers to issue several warnings in recent weeks. In each of the cases reported in The Gazette, the weight of the vehicle concerned far exceeded 9,000 pounds.

Bruce A. Smith
Information Services Officer

EDITOR'S NOTE:

The Gazette responded to telephone calls from truckers picked up on the street for violating a bylaw. When one of them asked the enforcement officer for a copy of the "relevant" bylaw, it was bylaw 23/71 that was provided, and that was the one quoted on "Motor Vehicles." Had the officer provided bylaw 34/71 the confusion would not have arisen. Or if the enforcement officer had taken the proper bylaw on his rounds and explained the particular passages to the truckers, nobody would have been confused. The Gazette was also told by truckers that they were not treated with courtesy and respect by the enforcement officer, which could perhaps be a difficulty if such officers lack adequate training.

Misleading...

Recent editions of "The Gazette" have contained some inaccurate and misleading reporting which I feel should be brought to the attention of your readers.

One instance was in the reporting of the public meeting held at the Community Hall on the subject of the Daon proposal for a shopping centre on land adjacent to the intersection of Fairview Boulevard and Sir Winston Churchill Avenue. The Gazette left the impression that the Daon representative was called upon to cease his presentation prior to its completion. In reality, it was a member of the audience who was encouraged to sit down in order to allow other persons an opportunity to present additional reasons why the Daon proposal should not proceed.

Another instance of misleading reporting was in the December 8th issue of The Gazette. Mayor Richard Plain was quoted as having said "I realize I'm not high on the list of popular mayors." However, The Gazette failed to make it clear that the Mayor was referring specifically to his popularity with "developers" and was not generalizing to the population of St. Albert as a whole. The Gazette appears to have assumed that a mayor unpopular with de-

velopers is, without question, unpopular with St. Albert in general. To the contrary, I suggest that the public would be very suspicious of a mayor who is popular with developers.

In the past I have placed some reliance upon The Gazette for fair and accurate reporting. After having attended a number of recent public meetings and having read subsequent issues of The Gazette I find that this reliance may be in question.

D. G. Norton,
Braeside.

Assistant Editor's Note: Jim McIntyre

The Gazette thanks Mr. Norton for his reliance on the paper for fair and accurate reporting. However, it is his concern that it may have taken a nosedive in the two cases he cites is highly exaggerated.

In the first criticism the Gazette is described at fault for leaving an impression only, not for any serious breach of journalistic ethics. But the second criticism is not justified. The Gazette story referred to, makes it quite clear the mayor was referring to his popularity, or lack of it, with developers.

That part of the story is quoted in full: "In light of disappointment town shopping centre policy might cause to developers, who have been negotiating in some cases for two years with the town, Mayor Dick Plain was prepared to take flack."

"I realize I'm not high etc." (Mayor Plain.)"

Around Town

Last Friday afternoon an annual event took place on the Sturgeon River - a Town of St. Albert tractor went through the ice on the east side of Perron Street Bridge. Town crews extricated it using ropes and pulley from the north side of the bridge. The driver must have had a sense of "deja vu" as the same situation occurred last year on the same day, December 10th.

Handicapped boy earns money, buys bike, learns to ride - then bike is stolen

Did your child bring something home, that did not belong to him? Was it a Motor Cross bike, black and yellow in color, serial number 06325?

For the past few weeks, we have been patiently waiting to see if this bike would be returned to its rightful owner. Even though a full description, plus serial number were given to the RCMP, it still has not been found.

Why is this lost bike any different than any other lost bike? There is a story of heartache for one particular boy over the loss of his bike. At age 13 he wanted something he had never ever before, a bike of his own, he had never learned to ride bike, because of a physical disability, he is partially paralyzed on the right side, being unable to use his right hand, and has a limp. He was determined, if he were to get a bike he'd master learning to ride it, and he did, even though he had some terrible falls. Let me also add, half of the price of this bike was earned by himself by taking a flyer route, that paid one cent a paper, two or three times a week, away he went to cover 180 homes for his \$1.80, if he was lucky there were two different flyers netting him \$3.60. He also

picked up garbage, picked quack grass roots etc., to get money to buy the bike he so much wanted.

How disappointing when we discovered this bike stolen from our back yard, it was he who found it missing, when he went to get it to go on the Gazette route he now has. The bike was there earlier that same day, so must have been taken in broad daylight. I'm sure only a child would pull a fast one like this. The same day his bike disappeared, there was a blue bike left straddled across our front sidewalk all afternoon, where that bike went after school got out, I don't know.

If there is a Santa Claus, would the persons who are now storing that bike for the winter, please return it to 22 Seymour Crescent. It could be dropped off the same way it was taken. No one would know the difference, it would also save theft charges if it were to be found in someone's possession.

I'd like to believe everyone who lives in St. Albert are good, honest citizens. Thank you in advance for the return of this bike.

MRS. J.S. BLAIS
STURGEON HEIGHTS.

LEARN TO SKATE PROGRAM

St. Albert Power Skating Club will accept 40 pupils for a Learn-to-Skate class beginning January 4th, 1977. Ten consecutive lessons from 4 to 4:30 every Tuesday in the Arena. Registrations will be held on THURSDAY, DECEMBER 16th in the ARENA AT 4 P.M. Fee is \$6.50 per pupil plus \$1.00 family membership in the Power Skating Club.

COMMERCIAL • RESIDENTIAL

The Carpet Cleaning Plant That Comes to Your Driveway

WHY?

1. OUTCLEANS - Portable units by generating 10-20 times more cleaning power!
2. CARPETS DRY FASTER - Dirt, moisture, and shampoo residue literally whistle out of your carpet.
3. CONVENIENCE - Extracted dirt and soil are retained in the mobile unit, not dumped into your bathtub or toilet. Only the hose and wand enter your home.
4. CONFIDENCE - Quality, guaranteed cleaning by Edmonton's most experienced cleaner.

District Three School Board Briefs

On Monday night, December 13, at their regular meeting the District 3 School Board saw to a number of

matters requiring their attention.

The board accepted the minutes of their last regular

meeting with no business arising from the minutes.

Trustees heard a report from the Finance Committee

announcing that the committee would meet with members of the teaching staff in

closed session to negotiate

salaries on Wednesday, December 15.

A motion was carried

during a Policy Advisory Committee report to place the objectives of the Christian Education Committee in the policy handbook.

The board referred the issue of playground equipment to the Policy Advisory Committee and to the board's representative on the Joint-Use Committee.

Trustees heard a report from Assistant Superintendent George Soetaert on his attendance at an ASTA Projects Evaluation Seminar. The session dealt with the question of districts doing more formal research projects and listed the seven characteristics of good evaluation.

A letter requesting maternity leave for Mrs. Atkinson from April 1, 1977 until the beginning of the 1978-79 school year was received and a motion passed granting the request.

A motion was initiated by Dr. Zielinski regarding the high school year. Exams will be held from January 24-28 and a motion carried extending January 31 as the operational day with the new semester starting February 1st.

Office hours for the holiday season were established in a motion which set the dates December 27-28, and January 3 for office closure.

The board received a letter from the Rotary Club of Edmonton confirming a performance by the Albert Lacombe Choir on Tuesday, December 7 at the club's 34th Annual Festival of Christmas Carols from December 6 - 10.

As a result of a Finance Committee recommendation the board moved that the cost of the kitchen exhaust system at Vincent J. Maloney School remain for consideration in the 1976-77 budget but no firm commitment is to be made, as educational priorities are considered more urgent at present. The motion carried.

At the request of Trustee Peter Freeman the board moved to request that the principal and staff of Bertha Kennedy School submit a progress report and interim evaluation of the community school program and its coordinator.

Secretary-Treasurer Ted Baldwin submitted a deletion and replacement in change orders for Bertha Kennedy School. A kitchen sink was found to be redundant, adding a credit of \$100 to the contingency fund. The quality of paint in the gymnasium was found to be inferior and was replaced at a cost of \$300. The board carried a motion to rescind one order and approved the other.

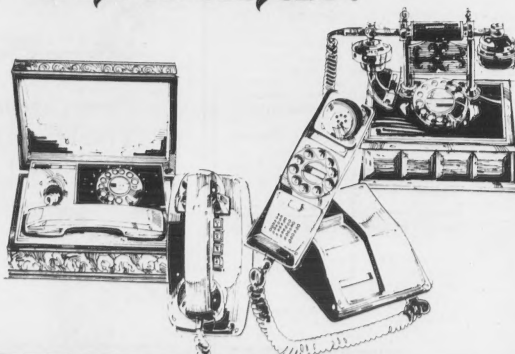

Convenience comes gift-wrapped this Christmas!

It's easy to give your favorite people colorful, convenient extension phones. Just select the perfect style and color, then pay for the installation and rental for a month or more. We'll provide a personalized Gift Certificate — and we'll even gift-wrap your choice.

Or give a gift of good conversation! Personalized Gift Certificates are also available for Long Distance calls.

This year, wrap up all your Christmas shopping at phoneCentre!

St. Albert Council Briefs

Following are some of the highlights of the St. Albert

Committee of the Whole meeting last Monday night.

Councillor Barry Breadner was in the chair with all councillors and Mayor Plain present.

Legion pleased with Operation Service

Len Jones, St. Albert Legion, chairman of Operation Service, a special 50th anniversary project of the Royal Canadian Legion, reported this week that the local Branch feels the program was a tremendous success.

6,000 questionnaires were sent out in the St. Albert area asking if the Legion might be of assistance to veterans, their families or dependents. The Branch had 71 replies, 21 of which requested personal interviews. The interviews of a confidential nature, were conducted by Comrade Rudy Schriber, Branch service officer, and 13 were referred to Provincial Command. Eight or nine cases appear to be deserving of further assistance.

The other 50 letters were in the main requests for further information on pension benefits and other matters and the desired information was supplied to

all of these.

"We would have felt the program was most worthwhile if only one veteran had been helped," commented Mr. Jones.

The Branch is prepared to deal with any late questionnaires which may yet come in.

LEGION ELECTS NEW OFFICERS

Vern Tomkins became the

new president of the St. Albert Branch, Royal Canadian Legion at the general meeting held Monday night. Ron Bull is 1st V.P., Ross Hutton, 2nd V.P., Stan Winters, secretary and Wally Swenarchuk, treasurer. Other executive members are Len Jones, John Reeves, John Patterson, Bill Tinge and Ernie Massick. Executive members serve two years, with half of them changing each year.

The Branch was extremely sorry to lose the services of June Kendel, on the executive as membership chairman, with one year to go. For health reasons June is resigning her position with both the Legion and the Auxiliary. J. Melsam will replace her for one year.

The next meeting of the Legion will be December 10th and installation of officers ceremonies will take place on January 22.

AT LONG LAST the press were given their own "gallery" at council, with recording secretary Mrs. J. Mackie telling one member of the press a sign would be placed on the table indicating it was (specifically) for the press. The Edmonton Journal and the Gazette happily entrenched themselves in the new facilities for up to four

reporters, as the meeting went on.

COUNCILLORS Rod Thronson and Barry Breadner, along with Mayor Dick Plain, were appointed to an Ad Hoc committee on sewer lines.

COUNCILLORS Myrna Fyfe and Gary Weitsch were appointed to an Ad Hoc committee regarding council appointments on city status.

THANK YOU

The Grandin Local Association of Guides and Brownies wishes to thank the mothers and in a very special way the residents of St. Albert for their support of our Christmas Bazaar. The girls will benefit greatly from your generosity.

Tots put on show at Youville home

The residents of Youville loved the performance put on for them last week by the nursery and kindergarten classes of the Montessori School in St. Albert. The three and four year olds did a

candlelight dance and showed that they could handle fire without a hitch.

The kindergarten children did an original performance of the classic story Hansel and Gretel, using their own

dialogue. Others sang and passed out cookies to the older folk. It was the first time on stage for nearly all the youngsters and everyone agreed they did themselves proud. The little girls were all in long dresses for the

occasion, and the moms brought the children and stayed for the show.

FRENCH & GERMAN FOR PUPILS

About a month ago the

Montessori School introduced the children of both the nursery and kindergarten classes to French and English. One little girl can speak German and so can the teacher, Esther Matthews.

For French one of the mothers comes each week. The program was started just to see what the kids could do and they enjoy it, so it is

going ahead. They learn basic words like mother, father, tree - those common to their everyday use - in both languages. Pictures are used to help reinforce the words learned.

There are presently 38 children at the school in three classes, two each morning and one in the afternoon.

Seniors to see "Singing Trees"

The Senior Citizens bus trip on Thursday, December 16 to see the Edmonton Christmas illuminations has been cancelled. This decision was made at the general

meeting held on Monday, December 13 when there was a feeling that, because of the very uncertain weather and temperatures we've been having lately, the visibility

might be poor - either because of frost on the inside of the windows or slush on the outside, both of which are possible.

Many will have read of the "Singing Christmas Tree" at the Central Pentecostal Tabernacle. This is a musical spectacular which has been held for the last few Christmases and is an event not to be missed. Lily Szuba has arranged for two buses to transport members of the Club to the Tabernacle on Monday, December 20 and those intending to go should be at the Centre at 6:45 p.m. Pick-ups will be arranged at the Youville Home and at the Mission Apartments.

The concert starts at 8 p.m., lasts for approximately 1½ hours so everyone should be back in St. Albert very shortly after 10 p.m. Apart from a voluntary offering at the Tabernacle, there will be no charge for the evening.

The Christmas party for members of the Club, hosted by the Legion, will be held on Sunday, December 19. The party will start at 1 p.m. and

will be held in the new Legion Hall and not in the Centre.

On Thursday, December 16, after the weekly bowling and the lunch served through the meals-on-wheels program, seniors will be entertained by the "Band-on-the-run." This intriguing title was adopted by a school band and those who like music should make a point of being at the Centre at 1:15 p.m.

The weekly Thursday lunches will not be held on December 23 or 30 but will resume on January 6, 1977.

On Tuesday, December 21, a card party will be held at 1:30 p.m. This will be the last event at the Centre till next year - which isn't that far away.

Avoid Christmas fires

The holiday season is less than two weeks away and families are starting to decorate and put up the Christmas tree.

While doing so, precautions for fire safety must not be ignored. If putting up a fresh tree make sure its fresh and not dry, and the base put in water. Do not place too close to heat or passageways.

These fire retardant decorations and lights in safe shape. Do not leave tree lights on when leaving home or retiring for the night. Don't have a fire ruin your Holiday, follow the safety rules.

The special meaning of Hanukkah

At sundown on December 16th Jewish people the world over will light the first candle of the menorah; an eight-branched candleabra, to mark the beginning of an eight-day holiday called Hanukkah.

Hanukkah, derived from the Hebrew word meaning dedication, commemorates the re-dedication of the Temple of Jerusalem about 165 B.C. after a successful revolt by the Jews against the oppression of King Antiochus of Syria. It is a time for each Jew to re-dedicate himself or herself to the spiritual and ethical teachings of the religion.

The heroes of this holiday are Judas Maccabeus, his four brothers and their

father, Mattathias, who initiated the revolt and led the Jews to victory. The legend is that when the Jewish people relit the temple candleabra, only enough holy oil was found to last one day, but a miracle occurred and the oil burned for eight days until more oil could be obtained.

After the first candle is lit (by the male head of the household), one more candle is lit each night until all eight are burning. The Hanukkah candles are always lit by a ninth candle, called a shamash, which has its own special holder in the menorah. As the candles are lit, special prayers are recited, and tradition prescribed that menorahs be placed in win-

dows of Jewish homes so passersby can share in the celebration. Other traditions families share include sing-

ing songs, exchanging gifts, playing games and eating special foods such as potato latkes (pancakes).

Japan may buy CANDU reactor

Japan may import a Canadian CANDU reactor to decrease dependence on U.S. light water-type reactors. Japan's long-term electrical power plan calls for 57 new nuclear power plants by 1985 with a combined capacity of 49.36 million kilowatts. At least 13 Canadian-made reactors, with a combined capacity of 490 million kilo-

watts, are now in operation world-wide and an additional 21 are under construction or under study. Canada is ready to modify the reactor to make it "earthquake-proof" and has assured Japan of a sufficient supply of natural uranium as fuel for CANDU reactors if Japan buys them, as well as a stable supply of heavy water.

ST. LUKE 24

And Joseph also went up from Galilee, out of the city of Nazareth, unto the city of David, which is called Bethlehem, (because He was of the house and lineage of David).

Board 6

Cont'd From Page 1

The agreement will meet several specifications in regard to construction and cost the board \$8,000 off-site charges.

During discussion Chasman William Weber asserted that the legal right of the town to demand development agreement is not being questioned. However, Mr. Weber later to the Gazette that the board did question the "lack of clarity of some of the conditions," and said he felt further scrutiny was necessary in light of the fact this agreement would set a precedent for future construction of schools elsewhere.

As the discussion progressed Dr. Cuts opined that the taxpayer "was being subjected to an unnecessary burden" and agreed with Mr. Weber that the agreement should be immediately reviewed as it would establish a precedent when accepted. Dr. Cuts went on to say that the board "might as well let the town take over altogether!" To express his feeling of urgency regarding the agreement, Dr. Cuts moved that an emergency meeting be called between the District 6 and 3 Boards. As the latter board had not yet seen a copy of the agreement, Dr. Cuts felt that they should be sent a copy "To let them know what they are getting into."

CONFER WITH DISTRICT 3

A motion to meet with the District 3 Board regarding this and other matters was carried with Mr. MacFarlane in opposition. Mr. MacFarlane said he felt the town was "jumping the gun" on the matter. The meeting was a closed session on Tuesday, December 14th.

The agreement caused further comment amongst trustees, and board member Shirley McCaffery pointed out the irony of the fact that the school board was financially responsible for the legal drafting of the agreement. "The board has to pay the town to jeopardize its own position," Mrs. McCaffery stated.

TENDERS TOO HIGH

The development agreement is not the only problem facing the board in its struggle to complete the West Grandin school. Tenders have been received and all bids received were in excess of the bylaw stating the maximum amount the board can pay. Mr. Murdoch MacFarlane, chairman of the Buildings and Properties Committee told the Gazette the committee met Friday to discuss the matter, but no decision regarding the board's next step will be reached until further information is assessed.

It is understood tenders are in the \$47 per square foot range, which is about a \$10 per square foot increase from

1975 tenders received. These are impetuous to the school's

The record crowd saw the Oilers put on a tremendous display of positional hockey that featured some excellent defensive play by the blueliners and steady forechecking by the forwards which kept the Czechs bottled up.

Other goalies Ken Broderick and Dave Dryden were sensational in goal and had wide goal posts on two or three occasions. Both were

in a school whose completion is questionable.

The urgent nature of the necessity of the school's construction was underlined by Supt. Elmer Gish. Mr.

Gish stated that if the school wasn't built the board would have to look at double-shifting classes at Robert Rundle Elementary or other untenable alternatives.

nally Speaking

of God ahead of time. The scripture tells us "I am God and there is none like me, declaring the end from the beginning." God tells us of things in the distant future. The Virgin birth of Christ was recorded some 600 years before the event took place. God records happenings in nature in which man has no

control. The word for prophecy is used about 300 times in the Bible. It means to bubble up or announce.

When men were inspired of God to prophecy they express that inspiration in different ways. Amos said, "Jehovah has spoken who can but prophecy." Jeremiah said, "God has put his words into my mouth." Elijah said the "Hand of the Lord upon me." Micah expressed it, "Full of power by the Spirit of the Lord to declare the sins of Jacob." Isaiah said when he heard the voice of God, "Send me." When Jesus Christ was born another prophecy was fulfilled. "The people that walked in darkness have seen a great light: they dwell in the land of the

Doug Currie and Terry Pearn led St. Albert goal scorers with two goals each while singles went to Andy Tymko, Blaine Georgy and Danny Towpich.

Carey Winkulst had a strong game in goal for the Comets, stopping 25 shots while his teammates were firing 40 at Ken Grimm in the Colonel net.

Referee Ron Panchyshyn had a very easy night as he called only seven minor penalties, four to the Comets.

SPORTS

Generals third with record of 10 and 6

St. Albert Standard Generals failed to gain any ground in the nine-team Alberta Junior "B" Hockey League last week. They lost 4-2 Thursday night to the Barrhead Jr. Elks and on Friday travelled to Edson where the Arrows dumped them 7-2 with ex-General Don Wells scoring two goals including the winner.

Saturday night the Generals got back on the right track with a 4-2 win over the Arrows and on Sunday they hammered Hinton Northwest Cardinals 12-6.

The team has now won 10 and lost six and should be in third or fourth place in the overall league standings. Generals are in first place in the Western division with Barrhead, Edson and Hinton following.

Lloydminster Border Blazers continue to lead the overall league. Thursday's game against Barrhead saw the Elks score two, third period goals to take a 4-2 win

over the Generals. Mal Lister and Darrel Billsten scored for St. Albert.

Friday night in Edson the hometown Arrows led all the way and easily took a 7-2 win. Terry Kieser and Roger Meunier were the only St. Albert goal scorers.

Saturday night in St. Albert the Generals turned the tables on Edson and came up with a well deserved 4-2 win with Gary Ferguson scoring the winner midway through the final period. Darrel Billsten added the insurance marker less than a minute later. Terry Kieser and Bernie Fizer scored the

the second period to put the game out of reach for the Generals. They out-shot Hinton 54 to 39 and took four only seven penalties called the wide-open game, which didn't feature strong attacking on either team the score indicates. Generals will take to the ice for their next three games with stops in Edson night, Vermillion on Saturday and Sunday in Hinton. They will be at home Thursday, December 23rd when Hinton will again be here.

DEBORAH-LYNN PAUL

Local girl places first in Senior

Ladies Singles

Not only did Deborah-Lynn Paul of Geneva Crescent place first in the Senior

Ladies Singles competition in Red Deer two weeks ago, she also skated to a top position in all three areas of competition, a feat not often accomplished.

Deborah-Lynn, a 17-year old student at Paul Kane High School, was placed first by all five of the judges in Figures, Short Program and the four minute Free Skate.

Skating out of the Royal Glenora Club under the watchful eye of German coach, Mrs. Bruening, Deborah-Lynn has spent the past 10 years working toward a career in ice skating. At present she is taking high school courses at night to enable her to practice during the day.

Having placed first in the Sectional Championships in Red Deer, Deborah-Lynn will now go on to the Western Divisionals in Powell River, B.C. in January. Alberta, Saskatchewan and British Columbia will be competing at this event. If she places at this event she will advance to the Canadian Championships in Calgary in the first week in February.

Oilers surprise Czechs before a record crowd

An Edmonton Coliseum record crowd of 15,294 were treated to some excellent international hockey Monday night with the Oilers skating to a 6-4 win over the touring Czechoslovakia National team. It was the second loss in a row for the Czechs as they blew a 4-0 lead and lost 6-5 to the Winnipeg Jets Sunday afternoon in Winnipeg.

The record crowd saw the Oilers put on a tremendous display of positional hockey that featured some excellent defensive play by the blueliners and steady forechecking by the forwards which kept the Czechs bottled up. Oiler goalies Ken Broderick and Dave Dryden were sensational in goal and had wide goal posts on two or three occasions. Both were

KEN BRODERICK

given equal ice time by Coach Bep Guidolin and each came up with some unbelievable saves to keep the Oilers in the game when they sagged a bit at times.

DAVE DRYDEN

Newly acquired Bill Flett who played last season with the Atlanta Flames of the National Hockey League played his first game since joining the Oilers and appears to be the best forward we have had since Jim Harrison. Flett is a strong winger and scored a pair of

goals, one of which was a real beauty as he faked a shot on the Czech goaltender Miroslav Krasa and then put a perfect shot in the short side to give the Oilers a 2-0 lead. Gavin Kirk scored the Oilers first goal on a slapshot that trickled through the goalies pads.

Czechs came right back and tied the game on goals by Lybonir Bauer and Eduard Novak at 12:40 and 15:19 of the first period.

Frank Beaton put the Oilers ahead 3-2 at 17:59 and with only 13 seconds to play in the period Rick Morris deflected a shot past the Czech goalie for a 4-2 lead after only 20 minutes of action.

Flett scored the only goal of the second period at 15:38 to give the Oilers a four goal lead going into the final 20 minutes of action. Rusty Patenaud went off for hooking at 5:01 but some excellent defensive work by the Oilers paid off and no goals

were scored while the Czech powerplay went to work.

Czechs finally found a hole in Dryden's armour and scored on a deflection by Jaroslav Pouzar at 11:47. Beaton went off for cross-checking at 12:46 and less than a minute later Novak scored his second of the night and their only powerplay goal to close out the scoring and give the Oilers a fine 6-4 win.

Following the game Carlings O'Keefe Brewery, with ex-Penticton Vee star Billy Warwick presenting wood carvings to the Oilers Brian Campbell and Eduard Novak of Czechoslovakia as the stars of the game.

Campbell had three assists for the Oilers and Novak had a pair of goals for the Czechs. Czechs outshot the Oilers 38 to 20 including 20 in the last period on Dryden.

Oilers next home game will be Tuesday, December 21st when the Calgary Cowboys will be the visitors.

Comets defeat Colonels, drop into second place

St. Albert Comets scored a 7-3 win over the Wetaskiwin Colonels Sunday night in St. Albert but dropped out of first place in the nine-team Alberta Major Intermediate Hockey League.

Sherwood Park Barons moved into first place by two points with a 7-2 win over

Camrose Maroons. They have played four more games than St. Albert. Comets are 11 and 2 in the league while the Barons are 12 and 5.

Comets had no trouble with the Colonels on Sunday as they built up a 5-1 first period lead and then matched second and third period goals with the Colonels.

Doug Currie and Perry Pearn led St. Albert goal scorers with two goals each while singles went to Andy Tymko, Blaine Georgy and Doug Winquist.

Carey Winquist had a strong game in goal for the Comets, stopping 25 shots while his teammates were firing 40 at Ken Grimm in the Colonel net.

Referee Ron Panchyshyn had a very easy night as he called only seven minor penalties, four to the Comets.

Comets next league game will be tonight in Enoch, Thursday night in Stony Plain and then home on Sunday against the Fort Saskatchewan Huskies.

Poulin leads attack as Canadians defeat Leduc Elks

The Leduc Elks found themselves at the wrong end of the gun in St. Albert as the hometown Nu-West Canadian Pee wee BBs outshot them 28-23 and outscored them by a margin of 5-2 in another entertaining Pee wee BB Saturday afternoon hockey contest.

Nu-West came into the first period skating hard and opened up the scoring early at 1:48 as Mitch Poulin took a pass from John Holden and Aaron Banks and ripped a slapshot past the Elk net-minder. At 17:48 Dean Clark

capitalized on a neat set up by Danny Laplante to give the Canadians a 2-0 lead. Colin Laney closed the scoring at 19:37 to put Leduc one goal back and within striking distance.

The second period was a close checking one as Nu-West were the only club to ring the bell as Ashley Sage blinked the red light from Brad Burns and Blaine Weller.

At 7:05 of the third, Danny Laplante set up Mitch Poulin for his second goal. Less than four minutes later Poulin

registered his third goal and second hat trick in as many nights with Aaron Banks and Pat Proulx drawing assists. Tim Baragan wound up the scoring as he counted Leduc's second and final goal at 19:58.

The game was played under ideal ice conditions. Billy Havens went the route between the pipes for the Canadians who were called for three of the right penalties handed out in a well fought contest.

NU-WEST 6 - ARDROSSAN 3

Mitch Poulin's hat trick led the way last Wednesday evening as St. Albert Nu-West Canadian Pee wee BBs defeated the Ardrossan Bisons by a score of 6-3 in

Ardrossan.

Poulin scored two of his three goals in the first period as the first 20 minutes of play finished 2-0 in favour of St. Albert. The Canadians took two of the three penalties assessed by the officials but still managed to outshoot their opposition 11-8.

The Bisons finally hit the scoresheet at 10:51 of the second as Lanny Lang registered his first of two goals. Dean Clark scored unassisted in this frame and also combined with Mitch Poulin for his third goal of the contest. Randy Atchinson with Mitch Poulin for his third goal of the contest. Randy Atchinson was the other Bison marksman.

Nu-West outscored their rivals in the third frame as Aaron Banks tallied un-

assisted and John Holden added to Nu-West's lead from Poulin and Banks. Lang scored his second of the evening for Ardrossan at the 14:19 mark.

This was the first game of the year in which Nu-West were outshot as the Bisons

managed 24 shots on net-minder Albert Huot while the Canadians tested the Ardrossan custodian 23 times.

The next home game will have Fort Saskatchewan visiting St. Albert on December 18th. The puck drops at 12 a.m.

Sabres lose a pair to break winning streak

The K of C Sabres Bantam team tasted the pangs of defeat for the first time this season when they went into Ardrossan a little over-confident and came away on the short end of a 7-6 score. With 11 wins and one loss the Sabres hold the best record in their league.

Saturday night they took on the city's best and bowed out by a 3-1 count to the Double AA Eastview team in an exhibition match. Sabres opened strong with two quick goals from Keith Heyburn and Troy Murray with assists from Sonny Gramlich and Brad Scott. Then they relaxed and Ardrossan promptly tied the score before the period ended.

Sabres took three penalties in the second period and the roof fell in. Ardrossan scored four goals to the Sabres' one, with Troy Murray getting the lone marker unassisted. Ardrossan went into the third period with a 6-3 lead.

From that point the Sabres

bandaged together and tried desperately to pull out a victory. Sonny Gramlich and Kurt Bokenfohr, assisted by Ken Myck and Troy Murray, pulled the team within two goals with one minute remaining. Pressure continued by the Sabres and Coach Chabot pulled his goalie in the first minute, which paid off as Murray got his third goal to bring the Sabres within one goal. Gramlich and Heyburn got assists on the sixth goal, which came with just 25 seconds left.

The hometowners took 18 penalty minutes against Ardrossan's 10, and they outshot their opponents 38-21.

SABRES SHORT-STAFFED IN CITY

Going as the top rated Eastview's AA team the Sabres had only 10 players, including goalie Bud Chabot. There were several out with injuries and a number in sick bay. However they stayed right with the city team in a tremendously exciting and well played game.

With Coaches Chabot and Neeser shuffling only three defencemen and six forwards the St. Albert crew were still in a scoreless tie at the seven minute mark of the third period. At that point Eastview's Don Shea slipped the puck past Chabot in a frantic goal-mouth scramble. Three minutes later Eastview got their second marker on a power play with John Winter blasting a hard shot from the point.

Though starting to tire Sabres gave it their best and Gary Kunz put the team on the score sheet, assisted by Kurt Bokenfohr and Brad Scott at the 18 minute mark. Over the last two minutes they kept pressing but Eastview put the game on ice with 45 seconds to go when Jim Benning scored from Please Turn to Page 17

Recreation Report

Submitted by St. Albert Parks & Recreation Dept.

SHINNY HOCKEY

Boys and girls aged six and under started their shiny hockey sessions last Thursday. The four rinks being used for this purpose are Larose, Braeside, Gatewood and Flagstone. If your child is interested in this activity they can go directly with a parent to any of the aforementioned rinks on a Tuesday or Thursday between 6 - 7 p.m. It is recommended that the child wear a helmet, athletic support and shin pads and

take along his/her own puck and stick.

LADIES NIGHT OUT

December 6th was the last night of games and activities for the children aged 8 - 12 under this program. It was felt that this activity met with great success and will be held again after Christmas. Watch this column for further information.

LADIES BASKETBALL

The Thursday night Ladies Basketball sessions held at Paul Kane High School between 8 - 10 p.m. are now finished until January 6.

MOMS & TOTS SKATING

There will be no Moms and Tots skating at the Arena on either December 22 or December 29. This program will be renewed Wednesday, January 5 at 10:30 a.m.

BRIDGE

In response to our notice last week of a proposed course "An evening of bridge - playing with supervision," the general consensus of opinion was that it be held Thursdays rather than Friday, 8 - 10:30 p.m. at the Akinsdale Clubhouse. If you are interested in this, please call the Parks and Recreation Dept. at 459-6601

OUTDOOR RINKS

Our outdoor rinks can be used when the temperature goes below 0°C and above -23°C at the following times: Social Rinks - Sunday 12 a.m. - 9:30 p.m., Monday through Friday 4 p.m. - 9:30 p.m. and Saturday 10 a.m. - 9:30 p.m.

The hockey rinks have minor hockey scheduled at various times with the following exceptions when shiny hockey can be played: ADULTS each week night 8:30 - 9:30 p.m. at Grosvenor, Salisbury, Mission and Akinsdale. CHILDREN 7 AND OVER: Monday, Wednesday and Friday 6 - 7 p.m. at Braeside, Gatewood, Larose and Flagstone. CHILDREN UNDER 7 play at Braeside, Gatewood, Larose and Flagstone between 6 - 7 p.m. Tuesday and Thursday.

MUSEUM FILM PRESENTATIONS

On December 19 the Laur-

ence Olivier's 1948 version of Shakespeare's "Hamlet" will be shown at the Museum at 4 p.m. and again at 7 p.m.

On December 26, Anthony Harvey's 1968 production of "The Lion in Winter" starring Peter O'Toole will be shown at the same times. This medieval drama has been classed as adult entertainment, not suitable for children.

During the holidays, special films for children will include "The Magic of Walt Disney Land" and "Return to Oz" (December 27), "Gallant Bees," a horse story, (December 28), "The Music Box" and "The Railroad," (December 29), "The Littlest Warrior" (December 30), "Wizard of Oz" (December 31), concluding with "The Lavender Hill Mob," January 1st. These films will commence at 2 p.m. each of these days, are free of charge and are held at the Provincial Museum, 12845 - 102 Avenue in Edmonton.

COACHING DEVELOPMENT

A Theory Level 1 course under the National Coaching Development program will be held at the following times: January 22 and 23, 9 a.m. - 4 p.m., January 28, 7 p.m. - 9 p.m. and January 29, 9 a.m. - 4 p.m. at Sir George Simpson Junior High School. Twenty-five candidates will be accepted and registrations and payment of the \$5 fee to be made at the Parks and Recreation De-

partment prior to Wednesday, January 19, 1977. Further information may be obtained from Parks and Recreation 459-6601.

STURGEON VALLEY BADMINTON ASSOC.

The recreational badminton club wishes to remind members that due to various school activities and the school Christmas break there will be no more badminton until January 4, 1977.

Plans set for Newsmen's Spiel

Plans for the annual Newsmen's Spiel being held this year at Banff are in full swing under 1977 chairman Al Eaton, of Vancouver. Last year the event was held in Sudbury.

Check-in time is Thursday evening, January 6th, when three St. Albert men will be among the 128 curlers registering at the Banff Springs Hotel, Ernie Jamison, whose rink represents the weekly press, Doug McCon-

achie of the Journal and Bill Lutzak of Central Web Offset.

There are four events for the 32 rinks and all curlers will receive a prize under a draw system at the wind-up banquet. There will be 11 Alberta rinks, nine Saskatchewan, eight Manitoba, three British Columbia and one rink from eastern Canada. All games will be played at the Banff Curling Rink.

Around Town

Comet's President Claude Contant would like to thank the team's co-sponsors - Willowbrook Homes, St. Albert Glass & Mirror, Ken Payne Homes, Satellite Painting Ltd., Murray's Industrial and Canadian Union of Public Works Local 941. Any

other firms wishing to help out the Comets in any way are asked to call Mr. Contant at 459-8651.

** ** *

Sabres

Cont'd From Page 16

Don Shea. Chabot stopped 30 drives while the Sabres took 21 shots at the opposition net. There were only three penalties called in the entire game.

This was probably the Sabres' best effort this year and they gave it all they had. Defencemen were Brad Scott, Cameron Swift and Scott Holliday, with Troy Murray, Shane Antoniak, Ross McRae, Kurt Bokenfohr, Keith Heyburn and Gary Kunz on forward.

Coach Chabot now has an opportunity to give the team a good hard workout while they have a break in their schedule. The team leaves for Montreal in about three weeks.

Morinville Seniors still unbeaten

By Mary Bentz
Morinville Motors Seniors have been doing very well despite a rash of suspensions (Wayne Miller three games, Al Bentz, five and Dex Dersch five) and have run their unbeaten streak to six which is to say they have not been beaten this season (five wins one draw) and have 48

goals for, while allowing along 21 against the latter figure greatly inflated by Sunday's (December 12) 11-8 score in Onoway. Ben Accord is the only team to gain a point from the Seniors which they got in Friday evenings 4-4 tie played here in Morinville.

The Motor Men face a

busy schedule - they will host Villeneuve Friday (Dec. 17) then travel to Riviere Qui Barre Sunday, the 19th and to Calahoo Tuesday, Dec. 21. Jack MacAskill saved Friday night's game when he made good on a penalty shot in the final few minutes while John Shrum led the way to victory on Sunday by scoring four big goals and assisting on three others.

Friday night's game was a close fought contest all the way, the first period ended deadlocked on Dex Dersch's goal assisted by the always capable Roger Chailfoux while the second stanza ended 3-2 in favour of the visitors, despite scores by Rick Pugliese and Marcel Tourangeau, assisted by Chailfoux and Tourangeau and Don Pruss respectively, which set the stage for MacAskill's heroics at 12:28 of the final frame.

Sunday afternoon saw the Seniors out-power the Onoway Blazers, thanks largely

to MacAskill, Royan and Shrum: three names which are giving nightmares to many Sturgeon Valley Hockey League goalies this season. Jack picked up an amazing nine points (two goals, seven assists). Carl scored one and assisted four while John's four goals and three assists gave him seven points. Marcel Tourangeau, Randy LaBelle, George St. Laurent and Terry Maslyk accounted for the other Motor markers.

Morinville Juveniles travelled to Redwater Saturday night where they whipped the hometown crew 10-4 in an almost penalty free contest that saw only three minors awarded each team. Slem Butt, Wayne Hesse and Rex White picked up pairs while Ivan Remillard, Neil Hesson, Eric Beraman and Danny Risby fired singles enroute to the lopsided victory. Coaches Cam Dubord and Dave Pezer have come up with a hustling and entertaining club which is certainly well worth watching.

GOODTIMERS

Moe Touchette brought home some hardware from Slave Lake this weekend (Dec. 11, 12) when he captured third in the 250 c.c. class of the North Western

Snowmobile Association races. Moe who was formerly very active in snowmobiling has returned to the racing scene with a new Yamaha after a short retirement. Moe is also the main organizer for the Morinville Goodtimers hockey team and this season has also been helping out with the Morinville Motors Senior hockey team (equipment).

Speaking of the Goodtimers they have finally stopped their slide into the obscurity of losing by tying St. Albert 4-4 Sunday evening at home, before a pleased if somewhat sparse crowd. Friday night they had travelled to Spruce Grove where they put up a good show despite being extremely short-handed (due to the weather) and were edged 8-6. Wayne Miller (down from the Seniors) accounted for all six when he notched a hat trick, assisted Dave Pezer on two goals, and set up Al Bentz's lone marker.

Sunday night Marcel Chailfoux sparked the Goodtimers to the single pointer by notching two. George St. Laurent and Al Bentz picked up the other two, while "no name in the paper" Roger Tourangeau had it in his power to salt the game away several times he gentlemanly refused to humble the guests.

Goodtimers would like to thank Len Moore Construction for their new hockey sign so graciously donated and Robby Beutier and Leo Brenneis for their donation of poultry to be awarded at the Goodtimer tournament in March (one turkey, one chicken, one cornish hen of your choice). Tickets available from the players. Next home game - Sunday at 8 p.m.

MINOR HOCKEY

Pee wee B played two games winning 2-1 against Legal and 4-3 against Mite A. Goals were scored by Jimmy Turner, four; Robbi Hoffman, one and Rodney Rousseau - one.

Shaver B played on Saturday, December 11 against Grandin Optical Broncos and lost 7-1. The Morinville goal was scored by Cary Royan and assisted by Reagan Lissack.

Cinq Concrete Mite A played three games last week, winning 9-0 against Riviere Qui Barre and losing 4-3 to Morinville Pee wee B and 5-2 to Capilano. Goal-scorers were as follows: Rick Mulligan, 5; Mark Capleton, 4; Neil Bokenfohr, 1; Sheldorf Bland, 1; Steve Turner, 1; David Schriver 1 and Andrew Hittinger 1.

Pee wee A played an exhibition game on Wednesday, December 8 against St. Albert winning 2-1 on goals by Mike Porwornick. On Saturday, December 11, the boys played their second league game and beat Legal Motors 12-0. Goals were made by: Dwight Van Brabant 4; Marshal Lalonde 3, Mike Porwornick 2, Paul Schafers 2, Henri Labonte 1, while Andy Boissonnault received the shutout. Out of a total of seven games the boys have scored 61 goals and had 15 scored against them.

Bantam A played Legal on Thursday, December 9 winning them 8-1 on goals by Mark Gibeau 1, Dan Blackburn 2, Brandon Wood 2, Robert Wojtkiw 1 and Larry Hunter 1. They again played Legal on Friday, December 10 and beat them 9-1. Goalscorers were Brandon Wood 2, Brent Noyes 2, Larry Hunter 2, Danny Blackburn 1, Lorne Bokenfohr 1 and Robert Wojtkiw.

Coaches please phone me by Sunday evening with game results and goalscorers. Phone 939-4145.

CURLING NEWS

Last week "Turkey Shoot" winners were Bob Arnold, Jerry Yacyshyn, Al Davies, Eugene Geoffroy, Jack Reuter, Guy Meunier and Claude Demers.

On March 25, 26 and 27, the Morinville Curling Club will be having their mixed bonspiel, while the Men's Open will take place on March 10, 11 and 12, and the Farmer's Spiel on February 11, 12 and 13. If you would like to register your entries early, phone Colleen at 939-4525.

January 3, 1977 Pay Day.

If you're holding postdated grain tickets, then you probably have some major decisions to make on how you're going to distribute that money. That's where TD comes in. Below are some of the ways the TD Bank can help put your money to work for you by investing it. Investment terms range from as short as 30 days to long-term savings plans like the TD Retirement Savings Deposit and the TD Home Ownership Savings Plan. If one of the investment vehicles below interests you, consult your TD branch for all the details and rates.

TD RETIREMENT SAVINGS DEPOSIT

The long-term savings plan that allows you tax benefits, plus tax deferred investment growth. So your money grows much more quickly. And it's as safe and secure as the TD Bank.

TD HOME OWNERSHIP SAVINGS PLAN

A great idea for people who are planning to buy a new home and don't presently own one. Save up to \$1000.00 per year towards the down payment and deduct that money from your taxable income. There's also a tax saving on the compound interest earned for faster growth.

PREMIUM SAVINGS ACCOUNT

Pays high interest while keeping your money on hand.

Non-chequing, but cash withdrawals permitted.

DEPOSIT RECEIPTS

A big earner in the short run. So you don't have to plan too far ahead for maximum capital growth.

CERTIFICATES OF DEPOSITS

"CD's" start as low as \$1000 and the interest paid for terms of one to six years is high. The compound interest option earns interest on interest.

TORDOM NOTES

For the \$1000 or more you can lock-up for a year or longer, this could be your best money-maker. Interest is paid semi-annually. On \$15,000 or more monthly interest is available.

For current rates and more information, please enquire at your local TD branch

Sewer line solution no closer

No solution to the long term problem of Morinville tying into St. Albert's sewer system seems to be forthcoming by the end of the year.

A growing Morinville will have to have extra sewage disposal facilities, but a meeting between St. Albert and the MD of Sturgeon and the Town of Morinville failed to produce any hard results that week. The meeting was held in St. Albert December 9th. The MD wants a 10 percent tie into the sewer line.

Mayor Art Stapleton of Morinville, who describes himself as "the matchmaker to get them (St. Albert and the MD of Sturgeon) talking," was disappointed that the only outcome is for a further meeting to be held December 20, a week after Mayor Stapleton had bargained for.

Mayor Stapleton says he can't see any solution to the sewer line hassle (now) before the end of 1976.

Reeve of the MD of Sturgeon Bill Flynn said last week he more people who used the line "would reduce the liability to the taxpayer (in St. Albert) and that it is difficult to deal with a man (Mayor Dick Plain) who considers anyone outside of town a liability."

But Mayor Plain says (the hassle) with the MD of Sturgeon wanting a 10 percent tie into the St. Albert line "should not stop Morinville getting its essential services." He also said he feels the Local Authorities should order the MD of Sturgeon to tie Morinville into the 10 mile \$2 1/2 million sewer line - "It could clean up the MD's act."

The line would initially have a capacity for 5,500 people and has been designed for an ultimate capacity of 24,000. Presently Morinville's population stands at the 2,000 mark, with residential expansion taking place to the town's north and east.

This will of course increase the need for schools, local jobs, and the sewage facilities to make the whole concept work.

Mayor Plain feels confident "we have a clean slate right now," and seems optimistic that a solution to Morinville's benefit can be worked out.

But he feels that "Sturgeon wanting a piece of the line... is peripheral to the whole thing."

Mayor Plain said he wants a fair rate of return for St. Albert and a fair commitment that (Sturgeon) will not

dump country residential and industrial park (waste) and "muck up the St. Albert area."

The 10 percent tie-in Sturgeon was talking about "does not make much sense to us," Mayor Plain stated and added it is a "small potatoes type of operation."

Mayor Plain pointed out he fears revenue could be creamed off (the line) by Sturgeon and he is also clear that he doesn't want any "ad hoc development sitting on our outskirts."

When St. Albert and Sturgeon meet December 20, which as far as Mayor Stapleton is concerned is too late, Mayor Plain feels the problem can be resolved "and it is not fair that Morinville should be held up by the MD."

Reeve Flynn feels that Morinville's sewer line is being held up till an agree-

ment is made with Sturgeon. He says it should be a "privilege for St. Albert to have a sewer line that goes out into the MD of Sturgeon."

It remains to be seen if any sewer line solution comes out of the December 20 meeting. Reeve Flynn's main concern is that an agreement be reached between St. Albert and Sturgeon on a 10 percent share of the line.

Mayor Plain's position is for an agreement to be reached "hopefully on the 20th" and "my concern is about Morinville being held up that long."

Calahoo honours pioneers as book is launched

By Liz McLeod
Saturday, December 11th will go down in the annals of Calahoo district as a historic and memorable event of

Last Saturday evening, was a very memorable night for the citizens of the Calahoo area, and perhaps those who will remember it the most are those pictured in the picture above. On the far left is Mary Dalheim, who is shown holding Copy #1 of Calahoo Trails and in front of her is the beautiful inscribed table service set which she received in appreciation for all of the hard work she contributed as editor of the book. Next to Mary are Mrs. Steinhauer and her husband, Mr. Ralph Steinhauer, Lieutenant-Governor, special guests of honor for the evening. Next to Mr. Steinhauer is Mrs. J. Elsie Williams of Onaway, who was the Grand Aggregate winner of the 1976 Calahoo WI Horticultural Show. On the right is assistant editor of Calahoo Trails, Mrs. Daphne Kerr with her gift of a cream and sugar on an inscribed tray for her contribution to the book.

special significance. Not only did the dream of pioneer Annie Norris of publishing the history of the district come true as "Calahoo Trails" was formally introduced to the public, but the pioneers themselves were especially honoured that evening, and the community of Calahoo were privileged to have in their midst His Honour, Mr. Ralph Steinhauer, Lieutenant-Governor of Alberta.

The evening was arranged by the Calahoo Women's Institute who had taken on the project of publishing the history book. The success of the project was largely due to the efforts of Mary Dalheim, editor, and co-editor Daphne Kerr, members of the W.I.

Official host and hostess, Myles and Daphne Kerr, welcomed Lieutenant Governor Steinhauer and Mrs. Steinhauer, along with aides Mr. and Mrs. Pasenko. The orchestra played background music as the official party entered and Mrs. Kerr introduced Mr. and Mrs. Steinhauer to the pioneers and all of the people present in the arena hall. The old-timers, identified with gold ribbons were seated in a semi-circle near the stage behind a table covered with a white linen cloth.

Congenial master of ceremonies, Blackie Quintal, introduced the Noyes Crossing and Calahoo early settlers, first settlement took place in the years from 1870 to 1911.

Close to 35 special invitations had been sent out to pioneers and their descendants but only a dozen or so were able to attend with Henry Quintal coming the farthest from Kelowna, B.C. at 82 years old.

Gerald and Edna Guenette enjoyed the visit and Gerry (as he is known) born in 1900, is said to be the last true pioneer still living in the semi-circle were Albert Paquette, Luke Majeau, Mrs. V. Cecile Berry, Mr. Frank Gawron, to name a few. Kathleen Walker's family were Noyes Crossing pioneers, and Kathleen was born there.

Mrs. H. Annie Norris, Devon, Alberta, who came to

Riviere Qui Barre, with her parents in 1910 from England and came to Calahoo as a bride in 1926, was recognized. Although not able to attend Annie had kept records and when the WI

Mrs. H. Annie Norris, Devon, Alberta, who came to Riviere Qui Barre, with her parents in 1910 from England and came to Calahoo as a bride in 1926, was recognized although not able to attend. Annie had kept records and the WI went to her for material.

As Annie said she may have lit the spark but the WI carried the torch, and in appreciation she will be sent autograph copy 2.

A letter was read from 97 year old Rusty Roberts from Hillcrest Home at Barrhead, thanking the WI for the invitation, but he thought better of attending for health reasons. He asked to have a book sent to him since it would bring back fond memories.

With introductions over it was a real pleasure to listen to His Honour Mr. Steinhauer speak of the early days.

What a glowing tribute he gave to these early settlers and remembered how his father was ready to help anyone in need - remembering families in wagons stuck in the mud almost out of sight.

He told of many hardships endured and how his father always said, "These people are true pioneers and will open up the land."

We agreed Alberta is THE best place to live and after more kind remarks His Honour was given a standing ovation.

Then our MC presented Mr. Steinhauer with a Calahoo Trails History Book and asked him to read a poem from it to the delight of the audience.

Ernie and Shirley Jamison of St. Albert were present and Ernie was asked to say a few words. Since he's already read the book, he had more compliments for the WI.

Then came a total surprise when Mary Dalheim was asked to come forward.

On behalf of the com-

munity, Bun O'Neill purchased a beautiful stainless steel table service set with the tray inscribed in appreciation of her efforts. The service was presented by M.C. Quintal and Mary graciously thanked the community.

Next surprise was for co-editor Daphne Kerr, presented with a dainty cream and sugar on a tray inscribed from the community in gratitude for her help with this book.

It was appropriate for all to see the Annie Norris Memorial Trophy for the Grand Aggregate Winner of the 1976 Calahoo WI Horticultural Show, presented to Annie's sister, Mrs. J. Elsie Williams of Onaway who was the winner.

Mary Dalheim made the presentation while President Liz McLeod presented the miniature trophy. Mrs. Dalheim was presented with Copy 1 with a gold plate, suitably inscribed.

Many pictures were taken and our honoured guests favored us by posing with the gift recipients.

In the interim, down on the ice surface, the young boys hockey team, with Grease Gun Bernice coaching, were having a practice, which gave the visitors a better view of Calahoo's beautiful arena.

The Travelling Rangers played a Scottish and announced the attraction, so Mr. and Mrs. Steinhauer walked over to the windows and watched after which, they joined in dancing to the crowd's delight.

More pleasant visiting before their departure and dancing resumed.

Free coffee and lunch were enjoyed and pop was available to quench the thirst.

An Italian raffle took place and copy 5 was won by The Don Watsons of Calahoo. Cop and Copy 3 by Jack Tate of St. Albert.

With the kind help from many people including young Mark Schultz, the hall was tidied up after the dance ended. The crowd went home convinced that this historic evening will ever be remembered, and from the favorable response, it shouldn't Please Turn to Page 23

ST. ALBERT & STURGEON GAZETTE, WEDNESDAY, DECEMBER 15th, 1976 - 19

Namao News

By Norma Crozier
Namao UCW held an enjoyable Christmas "thank you" party for ladies of the community on December 8th in spite of a near blizzard. The hall was beautifully decorated complete with Christmas tree by social convokers, Mrs. Alice Melay and Mrs. Viola Samis. For entertainment everyone enjoyed Military Whist, after which a delicious lunch was served, convoked by Mrs. Hazel Martin. A good visit was had over the coffee cups.

Mr. and Mrs. Harold Paul are sporting tans after a two week holiday in the beautiful Barbados.

Mr. and Mrs. David McCracken, Kevin and Karen journeyed to Riding Mountain, Manitoba to attend the Diamond Wedding Anniversary of David's grandparents Mr. and Mrs. Boyd McCracken.

Mr. and Mrs. Hugh Crozier are back home looking tired and rested after six weeks of fun in the sun at their winter trailer home in Palm Springs, California.

Holiday visitors at the home of Clare and Marjorie Agar are her two sisters Mary and Elva Cranna from Brandon, Manitoba.

Mrs. Will Wilson is home from a trip back home to Nova Scotia.

Namao United Church will hold their White Gift Service on Sunday, December 19. Officers of non-perishable

foods for Bissell Centre's programs and gifts for the Overseas Relief and Development Fund of the Church.

The annual Christmas Caroling trip is planned for Wednesday, December 22. Carolers are asked to meet at the church at 6:30 p.m. The bus will leave at 7 p.m. sharp.

HOWARD SAMIS'S FETED

A large crowd were in attendance at the Namao Community Hall on Friday, December 10, to hold a Community "Thank You" evening for Howard and Viola Samis, a surprise party which really surprised them. They served the Namao Community for 41 years through their business, the Namao Garage, and their numerous community activities.

Keenly interested in music Howard has played in an orchestra for 45 years and was a member of the first local orchestra at Namao. Two members of the present orchestra provided music for dancing for the evening, Arnold Cowen on piano and Bud Baxter on his saxophone. On behalf of everyone present Mr. Harold Paul presented Howard and Viola with a set of door chimes, for their new trailer home, and a purse of money.

Ladies of the community served a delicious lunch and coffee.

CHRISTMAS

Note to all Gazette customers

Owing to the shorter work week of December 20th, we find that the deadline for all news will have to reach our area correspondents by Sunday the 19th, 12 noon. The management and staff hope this request will not cause too much inconvenience.

Calahoo News

By Liz McLeod
R.C. Parish turkey bingo was held December 5th with large crowd attending.
The 20 games were called by Mr. Eugene Boddez and

when there were more than one winner, they played off to see who got the turkey.

These were the lucky recipients: Diane Boddez, Evelyn Paquette, Joe Lasio, Kathy Hesse, Marvin Soetaert, Mary Kolesar, Marlene Brenneis, Vi Matka twice, Lillian Leatham, Carol Patrick, Oscar Majeau, Mrs. Art Soetaert, Anne Monan, Albert Soetaert, Bill Soetaert, Shelley Berube, Alice Berle, Johnny Callihoo, and Mrs. P. Maren Majeau.

A bounteous lunch was served by the Parish ladies and friendly visiting topped it all off. Very special thanks go to each and everyone who came and who helped with and during lunch hour coming from the executive of St. Catherine's Parish, Calahoo.

**FRIENDS & NEIGHBORS
HONOR
CHRISTINE MOELLMANN**

Old man winter played his

hand, but that didn't deter more than 60 women and a few children from gathering in the Gazebo on Tuesday, December 7th at 8 p.m. to honor Christine with a miscellaneous shower.

Streamers and bells graced the wall behind the head table and a Christmas-ee arrangement with a candle in centre set off the appearance on the table.

A few hands of bingo were played previous to the gift opening, and here too, the

children excelled in assisting.

Seated at this head table from left to right were: Mrs. R. Marina Yoeman, groom to be's mother from Onoway; Mrs. G. Angie Moellmann, Christine's mother from Calahoo; the bride-to-be; her bridesmaids to be - Miss Gloria Dubovsky from Onoway and Pam Moellmann, Lucille Moellmann wasn't able to be present.

As we entered and signed the guest book, we took a number and when 35 was

called out it was Mrs. H. Helen Quintal who won the door prize.

After all the lovely gifts were opened and admired, Christine's diamond was passed around, tied to the ribbon, for all to see.

Then lunch was set out on the table for all to help themselves, beginning with the head table.

Christine had some well chosen words of thanks for all who were present and for the lovely gifts.

Many thanks go to Rita

Letendre and Sharon Nault, sponsors of this delightful evening, with Evette and Catherine Nault and Pam Moellmann and Simone Letendre, assisting.

With the festive season bearing down upon us let me take this opportunity in wishing everyone the Joys of the Season - May Gladness fill your Hearts, Joy fill the air and Love shine through you every day of the year. God Bless you this Yuletide Season.

Namoo 4H Buttons and Bows

By Bernadette Huber
Our club held their annual Christmas party on Saturday, December 7 starting at 1:45 p.m. We were unable to book the curling rink, therefore we went bowling at the Grandin Bowling Alley in St. Albert until 4 p.m. We then went to the Namoo Hub to eat a

delicious dinner and play games. The parents joined in on our fun to make a total of 46 members and adults present. Because of the bad weather we left the Hub at 7 p.m., excited about the oncoming Christmas.

We had a short meeting to discuss a few important

items. Our club has been asked to attend a Mini-Communications Festival on Saturday, January 15, 1977 from 9 a.m. - 4 p.m.

The 4H clubs in Alberta would like to buy land for a 4H centre. We have a piece which we feel is a perfect spot but we need money for

the final payment. If you have any suggestions for money-raising projects will you please contact anyone of the 4H leaders. We'll call it possible.

Our next general meeting is on January 25, at 7 p.m. at the home of Mrs. Paul.

Cardiff Column

By Florence Vranas
Mr. and Mrs. Pomo Vrdjak of Yugoslavia have enjoyed a six week visit with their sons, Jack and family of Carbondale and Branco and family of Cardiff. Jack and Carleen took the elderly Vrdjaks to Prince George for five days to visit some former friends. Two daughters and two sons still reside in Yugoslavia. Two nephews will meet the Vrdjaks when their plane stops over in Toronto on their flight home.

For the Vrdjaks, 74 and 72 years of age respectively, this has been their first trip to Canada and they will return home having had many new experiences but with fond memories.

Ken and Helen Witter are happily settled into their new home. Their former trailer

home is now occupied by Mr. and Mrs. Hazen Libby. Both Mr. and Mrs. Libby are employed at the Sturgeon General Hospital. Welcome to Cardiff Hazen and Martha!

The new housing development is progressing steadily with water and sewer lines presently being installed. No homes have as yet been built.

Violet Weiss was pleasantly surprised with a visit from her sister Blanch and husband Earl Dick of Salmon Arms, B.C., recently.

The first annual meeting of the Ladies Cardiff Community Club took place on November 29 at which time election of the executive for the coming year took place.

Following is the list of executive: President - Florence Vranas; Vice-Pres., Anas Kieser; Secretary - Violet Weiss, and Treasurer - Shirley Keger. The two last ladies listed retained their positions of the past year with the retiring president being Carrie Rockwell.

Permission has been obtained from the M.D. of Sturgeon to erect two bus shelters in Cardiff for the winter and Harold Robinson has completed the building of them. They are now ready to be moved to the chosen bus stops.

CHRISTMAS SUPPER ENJOYED

A very successful and enjoyable Christmas supper for Cardiff community was held on December 5 at the International Building in Morinville. About 100 people, children and adults attended. The supper was scheduled for 3 p.m. in order that small children would not be kept up past their bed time.

Food was served buffet style and was simply delicious. After supper Christmas songs were sung and Santa

dropped in to distribute a bag of goodies to all the children. Neighborly visiting and dancing to the music of the Vollrath family concluded a really lovely evening.

'For the Good Times'

DECEMBER 17th and 18th
DANNY CHARLES and the JOURNEYMEN

MUNICIPAL DISTRICT OF STURGEON NO. 90

PROPOSED AMENDMENT TO GENERAL PLAN

ADOPTING BYLAW #160-72

WHEREAS, the Council of the Municipal District of Sturgeon No. 90, under the authority of the Planning Act, Section 96, Chapter 276, R.S.A. 1970, has prepared a General Plan for this Municipality and same was adopted under Bylaw #160-72.

WHEREAS, the General Plan was based on surveys, studies of land use, population growth, the economics base of the Municipality, its needs for roads, public services, other relevant data, and described the way in which the future development of the area may be carried out in an orderly and economic manner;

WHEREAS, in accordance with Section 134 of the Planning Act, a Council may bylaw amend or repeal any bylaw adopting a General Plan;

THEREFORE BE IT RESOLVED, that the Council of the Municipal District of Sturgeon No. 90, duly assembled, may in exceptional circumstances, consider and recommend on all applications for "COUNTRY RESIDENTIAL" within the area presently classified as "LOW DENSITY AGRICULTURAL," meeting the following criteria:

- the parcel under consideration is physically separated from the balance of the title area; and
- the parcel under consideration has a low agricultural capability; and
- the parcels proposed do not exceed five in number.

Persons affected by or objecting to the said proposal may submit in writing to the undersigned the reasons for their objections, or views on same, on or prior to January 18th, 1977. Should objections be received, a public hearing will be held at 8:00 p.m. on January 27th, 1977 in the Council Chambers of the Municipal District Office, Morinville, Alberta.

Legal Locals

By Connie Maurier
If enough are interested a "Beginners Typing Course" will be offered. You do not need your own typewriter. Please contact Rhonda Deroin at 961-3961 at your earliest convenience.

Names are still taken to

register for the 'Christian Faith Course.' If interested phone 961-3613. The course will begin January 5th at the Rectory from 8 p.m. - 10 p.m.

Curling in Legal is scheduled to commence January 4. Names will be taken till December 18. This will be the last day to register since

the schedule has to be drawn up before curling can begin. So if you are decided to curl this year do not hesitate to register. Call Martha St. Martin 961-2270 or Norm Rivard 961-3887 now!

NOTE: The New Year's Eve Frolic tickets are now available. You can purchase

one through Denis Limoges, Norm Letourneau and Roger Gagne. Act now there are only a certain amount!

Six curling teams from Legal participated in Clyde's Mixed Bonspiel on November 29th to December 4th. All six teams were winners: 4th in 1st event - Jack St. Martin; 1st in 2nd event - Rene Shank; 2nd in 2nd event - Pat Keane; 3rd in 2nd event - Norm Rivard; 4th in 2nd event - Ed Royan; 3rd in 3rd event - John Marchak.

Congratulations to all the six teams and keep up the good work!

Santa visited Legal already. On Saturday afternoon from 1 - 3 p.m. the children got to sit on Santa's knee and received each a small bag of treats. Thank

you to the Legal Co-op manager and staff for making it possible and to Santa for making our children happy.

Power Skating lessons have now started. For those registered you must be at the arena no later than 10:45 a.m. to be on the ice for 11:30

a.m. Ice time is from 11:30 a.m. - 12 noon. Practice for those in power skating is on Tuesdays from 4 p.m. to 6 p.m.

Learn to Skate has been scheduled for Thursdays beginning 4 p.m. and also figure skating practice till 6 p.m. Don't forget.

Legal High School News

By Lorraine Champagne School Reporter.
December 9 and 10, Legal High students participated in "Tie Day." On the ninth, the boys wore ties and if they spoke to a girl, she received his tie. Francoise Lussion (Gr. 10) was announced as Miss

Irisistable. On the tenth, Murray Benson (Gr. 12) won Mr. Irresistible. They have merited a dinner for two at Taylor's Restaurant. Congratulations!

A carnival committee plans to hold skating, a sock hop, doughnut and hot chocolate sales for Legal Junior and Senior High students, on December 23, the last day before Christmas holidays. This should prove very interesting.

Legal Students' Union is having a Teen Dance January 8th in the Legal Community Hall. Come and boogie to the music of "The Chandeliers."

A mixed doubles ping pong tournament is well underway. As well, boy's basketball practices have begun.

December 22 is a date you mustn't forget! The Legal students from grades 1 - 12 will be participating in the annual Christmas concert. Everyone is invited to attend. Three 12th grade students, Murray Benson, John Yeske and Richard Charrois are working on the Nativity scene to be placed in front of the altar in St. Emile Church. We are happy to see that Legal students are helping to create a Christmas spirit in our community.

A trip to Legal Co-Op

By Gail Vandenhouten
On November 18, our grade two class, Mrs. St. Onge, and our helper Pauline de Champlain went on a field trip to the Legal Co-op. Mr. Real Auger had invited us to watch him cut meat. It was very interesting. He cut a side of beef and we learned where steaks, roasts and hamburger came from.

Then he got half of a pig and cut some pork chops, spare ribs and ham. He showed us where he puts the meat to keep it cold until he sells it.

Mrs. Auger wraps all the meat and helps Mr. Auger set the meat on the counter for the people to buy.

Jeffrey Kramer won a turkey as a door prize. The Co-op gave us a lunch of hot dogs and pop. We thanked Mr. and Mrs. Auger for showing us all about meat and for being so kind to us.

Senior hockey lacks good refereeing

By Denis Nault
What's a fan? A machine that makes wind... Come out and make some "wind."

Legal played two games last week with one win and one loss. This brings them to three wins and two losses in league play.

The first game, December Please Turn to Page 22

Westland Building Supplies to open

Good news for Morinville and District home handymen is the opening of Westland Building Supplies Ltd., out beside the Auction Mart. Richard and Larry Hesse and Len and Lawrence Jubinville have joined forces to bring this latest commercial venture to Morinville.

Richard Hesse will act as manager bringing his substantial building products experience to the new venture.

Richard dates back to 1957 with the St. Albert Imperial Lumber Co. and has spent the past 11 years as manager of the Vegreville Federated Co-op Service Centre.

Larry Hesse is the owner of G & L Electric and will be bringing his experience of that line while Len and Lawrence Jubinville of Len-Mor Construction have already brought such innovations to town as the Morinville Red Rooster and are

also hoping to give us our first multi-story apartment complex adjacent to the Red Rooster.

Westland will handle a full line of paints, plywood,

dimensional lumber, builders hardware, kitchen cabinets, floor coverings and pre-fab garages and when taken in context with our existing commercial ventures

of a like nature it will certainly go a long way toward making Morinville a supply centre of no small significance.

Krauskopfs move to Redwater

Well known and longtime residents of Morinville Mr. and Mrs. Arthur Krauskopf with sons Don and Danny completed moving operations to Redwater last Sunday. They leave behind their friends and relatives and the town they loved so much. Art and his son, Don hope to have open before Christmas a new Mayfair store to serve the residents of Redwater.

Art and Jeanette have lived, as children and adults, all their lives in Morinville and area. Art worked for many years at Morinville

I.G.A. and has just finished with Mayfair Foods in Edmonton. At the time of leaving he was an active member of the Knights of Columbus and past member of Church Council and School Board.

Jeanette was a housewife and in the past was involved with Brownies and C.W.L. She hopes she can find her way to the curling rink in Redwater. The Krauskopfs

were members of the Foster Parents Association.

Don was known to everybody as a referee, coach, bartender and helping Uncle Tony. Danny, the newest addition to the family about four years ago, says he likes Redwater because Jeff lives there.

The family extends an invitation to those that go to Redwater to stop in and have a coffee and chat.

hockey

Cont'd From Page 21

I saw Legal beat Gibbons 5-3. This was a clean and fast-skating display of hockey. Scoring for Legal were Denis Chamberland, Bert St. Martin, Gerry Langevin, Laurent Coulombe and Rock Ste. Croix.

On December 12, Bon Accord took Legal 5-3 in a poorly officiated game. I'm not making excuses for the team. Legal played 20 minutes of hockey; it takes 60 minutes of never letting up to win, along with a lot of

determination. Goals for Legal were scored by Ross McKenzie (1), and Denis Chamberland (2).

Going back to officiating, the Senior Hockey League is in trouble. We are paying double the price of last year, and it seems we're getting rookie refs. To quote Remi Cyr, coach of Legal Seniors, "The officiating is atrocious, and something has to be done about it."

Next games are as follows: Friday, December 17: Namao at Legal, 8 p.m.

Sunday, December 19: Legal at Alexander, 2 p.m.

Tuesday, December 21: Namao at Legal, 8 p.m.

**Sturgeon
Billboard**

SUNDAY, DECEMBER 12 - 7:30 p.m. The 4H Turkey Bingo is being held in the Villeneuve Hall.

FRIDAY, DECEMBER 17 - Turkey Bingo will be held in Riviere Qui Barre at 8 p.m. Sponsored by the Camilla 4H Clothing Club.

THURSDAY, DECEMBER 23 - 8 p.m. - 1 a.m. Notice to all Disco goers - There will be a Christmas Disco party at the Chelsea Village, Bon Accord.

Morinville Memos

By Marg Bentz

The Sunday School of Morinville United Church will be presenting their Christmas pageant on Sunday, December 19 at 10:30 a.m. in the lower hall at the Recreation Centre. Everyone is welcome to join in and see Christmas through the eyes of the children. A light lunch will be served following the pageant.

On December 19 the Morinville Legion will be having a sleigh ride, starting about 7 p.m. and meeting at the Legion. Come one, come all, and join in on the carolling.

Don't forget that the Morinville Lions Figure Skating Club are having their second registration for the ARSA program and for power skating, tonight, Wednesday, December 15 at 6:30 p.m. at the Rec. Centre. A general meeting will follow registration.

Lloyd Kachman and his staff down at the Royal Bank wish to extend an invitation to all to drop in for coffee and doughnuts on December 15 and 16 from 10 a.m. till 3 p.m. and on December 17 from 10 a.m. till 6 p.m.

On December 24, Christmas Eve, the United Church will be holding their annual Candelighting service at 7:30 p.m. at the lower hall, Morinville Recreation Centre. All are welcome.

Those wishing to express their best wishes to the Drum and Bugle Corps, by putting their name on Christmas Community Card, please contact Mrs. W. Hollerhus at 939-2230, or Mrs. Biddiscombe at 939-2157.

Tickets are on sale now for Morinville Legion members and invited guests for the New Year's Eve party at the Legion. A cold buffet lunch will be available throughout the night and music will be provided by "Soundtrack & 2." Tickets are \$15 a couple and are available from Legion members.

Christmas holidays will begin for the children of Morinville on December 23 at 3:30 p.m. and will resume on January 3 at 9 a.m. For those of you who are starting to make plans for the Spring Break, the children will have the week of March 28 till April 1 off.

The elementary school pageant will be held in the afternoon of December 22, at 1 p.m. for the parents and students of the Yellow school only.

Garbage pickup in the Town of Morinville, during the holidays will be advanced one day. Pickup will be on December 21, 22 and 23.

Dolores and Larry Hesse recently returned from a two week holiday in Tahiti. Larry, a co-owner in Westland Building Supplies, reports that Tahiti is a beautiful place and far less commercialized than other island paradises.

A new kindergarten class hopes to start in early January at the Surgeon Regional Rec. (Cunningham School). To register phone Mrs. Pauline Underwood at 939-3059. This 2 1/2 hour morning program is in need of a teacher. Anyone interested please phone Mrs. P. Jubinville at 939-2253, for more information.

St. Jean Baptiste Church will be having Confession for Christmas on Monday, December 20 at 7:30 p.m. at the church. Christmas Masses will be held on December 24 at 8 p.m. and midnight, December 25 at 10 a.m. and on December 26 at 9 and 10:30 a.m. Masses on New Year's Day will be held on December 31, at 7:30 p.m., January 1st at 9 and 10:30 a.m. while Sunday, January 2nd masses will be at 9 and 10:30 a.m. Friends of other

faiths are invited to celebrate Christmas by attending services on this very special occasion.

There's not much time left to get your Christmas lights ready for the Christmas Lighting Contest which is once again being held by the Morinville Board of Trade. Two categories (commercial and residential) will be judged by Board members on December 19, 20 and 21. Commercial interior and or exterior decorations will be considered. Last year's winners will be excluded this year, so as to give everyone a chance. The Board of Trade would like to encourage everyone, especially business places to light up for the

Christmas season.

St. Jean Baptiste Parish is having their New Year's Eve Frolic on December 31, at the Recreation Centre, for members and invited guests. A supper smorgasbord will be served from 8 - 10 p.m., with dancing to the "Primo's" till 2 a.m. Tickets are \$10 per person and are available from council members, Royal Bank, Drug Store, Paul's Confectionery and the Credit Union. A corsage will be given to the ladies.

Reader's co-operation in telephoning or bringing in news items is greatly appreciated. Please phone 939-4145 or stop in at 9901-99 Avenue or mail to Box 112.

Morinville.

CHRISTMAS AT MORINVILLE LIBRARY

Many new books have arrived for our patrons holiday reading pleasure. Thrillers, romances, mystery, beauty, diels, all kinds. For the youngest a clutch of Richard Scarry's books. We have also purchased many french books of all kinds. The library has been decorated, and for the children for this festive season, softly playing Christmas music. A cosy, comfortable place to be, to

relax and rest awhile.

LIBRARY HOURS FOR THE HOLIDAY

The library will be closed: December 24, 25, 26 and 27. OPEN - Tuesday evening December 28, 6 p.m. - 9 p.m., Thursday afternoon 2 p.m. - 5 p.m., December 30th.

CLOSED - Friday, December 31st - Saturday, January 1st.

Will re-open January 3rd for business as usual.

A very Merry and Happy Christmas to all.

NOTICE

TOWN OF MORINVILLE

RE: HOLIDAY GARBAGE PICKUP

TO ALL RESIDENTS OF MORINVILLE

GARBAGE PICKUP WILL BE ADVANCED ONE DAY

PICKUP WILL BE - DECEMBER 21, 22, 23

NOTICE

MORINVILLE RESIDENTS ONLY

ANYONE WANTING TO RECEIVE DOOR-TO-DOOR DELIVERY OF THE ST. ALBERT & STURGEON GAZETTE, PLEASE PHONE - MARG BENTZ - 939-4145. THE PAPER BOYS COLLECT MONTHLY 15¢ PER ISSUE OR YOU CAN MAKE ARRANGEMENTS TO PAY FOR THE YEAR AT A COST OF \$7.50.

Any boy or girl who would be interested in becoming a carrier, please give your name and phone number to Marg Bentz, your Carrier Captain.

Light as the breeze, swift as the winds.

If that's the way you like your snowmobiling action, you can make it happen on a Massey.

There's a definite difference in the ride. You'll feel it right away—a combination of control and performance that makes a Massey snowmobile something very special. It comes from aircraft-inspired construction that gives you a torque-to-weight ratio other sleds just can't match.

Whirlwind

It's a sports sled, and a family snowmobile, with emphasis on the "sports"—choice of 340 or 440 models, and a whole lot of features going for you.

Storm

An all-new, trail-taming sports machine that will make you cinch up your chin strap. More handling, more blast than any stock 440 you've ever been on. Get on a Storm, you won't find much in the way of competition. It's new!

Chinook 300

Great as a first-time snowmobile or as a second or third sled for the active snowmobiling family. The snowmobile is compact, the price is very economical, but the excitement is definitely full-size.

Come see the new Massey snowmobiles—and ride the winds this year!

Calahoo

Cont'd From Page 19
be long until all the history books are sold with two-thirds already distributed.

A most sincere thank you goes out to everyone and especially President Edmund Brubeck of the West Sturgeon Agriculture Society for their generosity and help.

MORINVILLE, ALBERTA

Gibbons News

By Karen Hogg
The Anglican Church Christmas Eve Holy Eucharist service will take place at 9:30 p.m. in the Gibbons Emmanuel Church. Everyone is welcome to attend.

The Gibbons Sunday School will be holding their annual Christmas carol service on Sunday, December 19 at 10 a.m. at the Gibbons Sunday School. This is non-

denominational and everyone is welcome to attend.

Anyone knowing where seven small green tablecloths are please return them to the Legion Hut.

The Legion's annual Christmas party was well attended and a good time was had by all. Gifts were exchanged and a very good lunch was served by the

Ladies Auxiliary.

The awards night at the Legion was poorly attended but a good time was had by all. The beef raffle was drawn and William Mabbutt won two hundred dollars of beef and Mrs. Pat Howard won second prize being 50 dollars worth of beef. The Legion would like to thank those members who sold tickets to make the raffle a success. Another payment can now be made on the building addition.

Shirley Christiansen is the Nutri-metics saleslady for the Gibbons area. She lives in the Alcove Trailer Court trailer number 12, phone number is 923-2417.

Mr. Steve Lamoureux will be celebrating his 80th birthday on December 26 from 2 to 5 p.m. in the Legion Hut. Everyone is invited to join in the celebration. No gifts thank you.

GIBBONS HOCKEY SCENE

The Seniors lost 5-3 to Legal on Friday night. Gibbons goals were scored by Tim O'Neil, Mike O'Neil and Rick Humstra. The Gibbons Juveniles trekked up to Athabasca through a good snow storm to win 12 to 7. This was their fourth win in four games with a total of 37 points.

SENIORS DEFEAT VILLENEUVE

The Gibbons Seniors were in Riviere Qui Barre on Sunday afternoon playing against Villeneuve winning 7 to 6. Gibbons goals were scored by Mike O'Neil with one goal, Tim O'Neil with one goal, Lockey Christie with one goal, Larry Craig with one goal and Daniel Valcourt with one goal. Out of six games the Seniors have won three, tied one and lost two. Leading on score points is Tim O'Neil with 9 goals 12 assists for a total of 21 points. Second is Kelly Mc-

Avoy, with 7 goals 11 assists for a total of 18 points. Mike O'Neil is third with 9 goals 7 assists with a total of 16 points. Out of six games the Seniors have scored 35 points. The Seniors next game is Friday, December 17 at 8 p.m. in the Gibbons Arena against Bon Accord.

Registration for ceramics with Jeannie Rowsell will be on January 3, all day and evening. Jeannie will be registering 75 ladies on a first come first serve basis.

THE LAST ROUND-UP (Gibbons Senior Citizens)

The last meeting for 1976 was held on December 9th in the Legion Hut. It was in the form of a pot luck supper and Christmas party. Instead of a gift exchange each member present gave one dollar towards our grant fund. There were 26 members present.

To start things off Mr. Brian Leader came with his grade 4 and 5 pupils. They entertained with Christmas carols and then each student partnered with a senior citizen and asked questions. These young students were very polite and well behaved. Brian told us they were putting on a program at the school on December 22 and invited us all to come. While they enjoyed Kool-aid and cupcakes they visited with the members. They then finished with "We Wish You a Merry Christmas." Played some bingo, then Reg and Lillian Austin conducted a "Numbers" contest which was a lot of fun.

Reg informed us the contract has been let for the Senior Citizens Lodge and work could start on it soon. The waterline is to be tested and if found alright it could be turned on before Christmas.

Our "Pot Luck" supper turned out to be a real feast of goodies. Finished off with a birthday cake supplied by Cindy Williams (Sunday School Circle). Thanks Cindy, it was delicious. We also

appreciated the personal card - it was very thoughtful of you. There were a lot of December birthdays - Gladys Blom, George Carleton, Joe Hystyn, Steve Lamoureux, Agnes Logan, Mrs. Kay Morin, Wilfred Oliver, Mary Stanlake, Katherine Wancheko, Clara Williams. Sang

Happy Birthday and the More We Get Together.

It was a very happy and pleasant afternoon. Next meeting will be January 13, 1977.

The Gibbons Senior Citizens wish everyone a very Merry Christmas and a Happy New Year.

Sunnyside News

By Lois Bowman

The Sunnyside Hall was packed to the rafters on Sunday afternoon for the children's annual Christmas party.

The afternoon started off with a concert with children from the area and some from a dancing school in Edmonton - there was singing and dancing and finally a sing song in which everyone in the hall took part in.

The climax for the children came when Santa arrived on the scene with a bag laden with gifts for each and every girl and boy there - there was even candy oranges and a coloring book for them all too.

The adults that were there enjoyed a friendly cup of coffee and a piece of cake or a cookie.

Children from the area who took part in the concert were Robin, Terri and Cindy Harper, Kim and Kelly Manning, Andrea, Shelly and Tommy Eppinga, Cheryl

Maxfield, Kenny and Ritchie Feuchuk, Margo Davidson, Shelly Chownick, Leslie Mitchell, Sandy and Terry Brown, Corine Nichols and Nancy McKenzie.

A vote of thanks must go to Mrs. Margaret Mitchell who came from the program - Heather Mitchell who very kindly played the piano - Lavonne Chownick and Wendy Bowman who were Santa's helpers and an extra big thanks to Santa who took time from his busy schedule to be there for without him it would have been a very dull party for the small children.

A reminder to everyone to get their New Year's Eve tickets early from either Shelly Brown 973-5661 or Ann Maxfield 973-3706.

In the event that there will be no Sunnyside news next week - we'd like to wish everyone the Merriest of Christmases and all the best for 1977.

RQB 4H Beef Club

By 4H Club Reporter

Riviere Qui Barre 4H Beef Club had its annual 4H Awards Night and banquet. We wish to express our "thanks" to the mothers and all those involved to make it such an enjoyable evening.

The program of awards was introduced by our leader, Mr. Gordon Fuhr. Awards were presented to the following people: Karen Lischewski for Grand Champion, Gale Fuhr, Reserve Champion; Anita Lischewski, Champion Heifer; Mary Brown, Reserve Champion Heifer; Lori Perrott, Cow Calf Champion; Lori Perrott, Showmanship; Gale Fuhr, Reserve Showmanship; Gale Fuhr, Senior Public Speaking; Janet Perrott, Junior Public Speaking; Karen Lischewski, Best Home Grown Calf; Dave Boddez, Most Daily Gain; Doris Boddez, Best Groomed Calf; Robin Fuhr, Best Judge for the

Club; Gale Fuhr, Best Kept Book. First runner-up for Best Kept Book was Kim Nakamura. Lori Perrott, Efficiency Award. We gave a special award to Mr. Allan MacDonald for all the work done for 4H over the years. We also wish to express our gratitude to all donors of trophies to our 4H Club.

FESTIVAL AT BON ACCORD

On January 15, 1977, at the Bon Accord School, all of the 4H members are having a mini communications festival. It starts at 9 a.m. to 4 p.m. Bring your own speech. For our next meeting Wednesday, January 5th, 1977, we are to bring two things: one - a rope to make a halter, two - bring new ideas for our crest this year. We wish everyone a Very Merry Christmas and a Happy New Year.

Alcomdale 4H News

By Mark Davidson.
The third meeting of the Alcomdale 4H Beef Club was held at the home of Mr. and Mrs. Roddy Malner on December 6th with 13 members present. Roll call was the amount and type of feed. We accepted the invitation of the Three Star Multi Club to their Christmas party.

There will be a judging demonstration of steers and heifers on December 27, 1 Please Turn to Page 25

Bon Accord News

By Sadie Allen
Mrs. Christina (Neilson) Rickard passed away at Victoria, B.C., on December 6th at the age of 80. Mrs. Rickard was the second white baby born in the Bon Accord district, the first one being Mrs. Maude Kowalski. Our sympathy is extended to Louis and Ethel and the rest of the family.

The basketry class planned for January has been cancelled due to lack of registrations. The macramé course is still on, but more registrations can be accommodated for this class. Molded ceramics are scheduled for early in January. Anyone interested in this craft should call Mrs. Schenberger, 921-3653 to register.

Congratulations are extended to Joan and Danny Weins on the birth of their daughter, Pamela Renee, 6 lbs, 15 ozs, on December 5th at Sturgeon General; to Lynn and Gary Foreman on the birth of their daughter, Tara Lynn, 8 lbs, 14 ozs, on December 4 and to Sharon and Dale MacFayden on the birth of their son, Daniel Edward, 6 lbs, 5 ozs, on December 8.

Ladies Community Club held their annual Christmas party on December 8 at the home of Edith Kowalski with only 20 members present due to hazardous weather and roads. Following a delicious supper of Chinese food, election of officers for the coming year was held with the following results: Pres. Sarah Mulligan; V.P. - Lynda Johnson; Sec. - Linda Fearnley; Treas. - Jean Sloan; Decorating Com. - Rita Milligan, Mabel Veran, Lynda Ross; Phoning Com. - Linda Adams and Thalia Critchley; Food Com. - Sarah Mulligan, Rose Ruth, Lynda

Ross, Beryl Evans, Lynda Johnson, Fran Ketter and Jerry Hecker. Publicity is being handled by Pauline Mansfield.

The Book Exchange will not be open again until after the New Year. There is a good selection of books available but a terrible scarcity of customers. Make a point of dropping into the exchange in the Bon Accord Community Centre balcony when it opens in January. Our prices cannot be equalled.

FISH & GAME TICKETS READY FOR TROPHY BALL

The Fish and Game Association met in the school on December 9. The prize for selling the most memberships went to Norman Robertson. By being absent from the meeting Winston Elzina missed out on a jackpot of five prizes in the Snoball draw. These will be carried over to the next meeting. The winner must be present to claim the prize. Guest speaker was Mr. Ron Gladish, chairman of the anti-pollution committee. The members decided to make their meetings more of a social evening with the executive committee meeting separately to handle the business. The executive for

the new year will be elected by a vote by ballot this year with a committee chosen to handle the election. The executive will meet on January 6th with a shooting range to follow. Everyone is welcome to attend.

Tickets for the Trophy Ball and Wildlife supper are now available from Jim Owen, Helen Robertson, Ken New, Dave Cosh, Rob Lane and Con McLure. Only 175 single tickets are being sold. The price is \$7.50 per person and a Fish and Game glass goes with the purchase of each ticket. The Ball will be held in the Bon Accord Community Centre and the tickets are going fast. Get yours now to avoid disappointment.

Get well wishes are extended to Mr. Archie Jenkins in the Edmonton General Hospital, and to Mrs. Maude Kowalski in the University Hospital.

Bon Accord Wildcatters scored a tie with Morinville and a 5-3 win over Legal in games played the past week. Games coming up will see Bon Accord at Gibbons on December 17 at 8 p.m., Calahoo at Bon Accord on Sunday, December 19 at 2 p.m. and Alexander at Bon Accord on Tuesday, December 21 at 8 p.m.

Bon Accord Outlaws meet the Cougars at Gibbons on December 19 at 9 p.m.

The Bon Accord School Grade 6 class are entertaining the senior citizens of Bon Accord and district with a program and social afternoon in their classroom on Tuesday, December 21 from 1:30 to 3:30. You are cordially invited to attend.

The Golden Gems are again selling Western Canada Lottery tickets, both the \$1 and \$5 tickets. These may be obtained from Sadie Allen, 921-3813 in Bon Accord. Alvin Tupper has \$1 tickets at Gibbons.

The Bingo jackpot is now \$300.00 in 56 numbers. Winners of the consolation were Thalia Critchley and Wayne Straghan. Bert McEachren won the bonanza.

Tickets for the New Year's Eve Ball are going fast. They are available from Doreen Hewitt, 921-2581 or Pauline Mansfield, 921-3625 at \$20 each on a strictly no-hold basis.

Guides and Brownies will be delivering your new

telephone directories. Please welcome them.

Brownie and Guide Fly-up and enrollment takes place in the Bon Accord Community Centre on Monday, December 20. You are cordially invited to attend.

STORE OPENINGS

The Bon Accord Superette and the Bon Accord Meat Market both had their official openings recently. The businesses are under the joint ownership of Jack and Gail Burnham and Dave and Ann Latta. Monthly specials are featured by both establishments. The Superette, which has undergone a complete facelift provides a most pleasant atmosphere for that weekly or daily shopping trip

and offer comparable prices to city shopping without the 50 or more mile trip added to the price of your groceries. Store hours are exceptional with daily service at the Superette from 9 a.m. to 10 p.m., Monday through Friday, 9 a.m. to 6 p.m. Saturday and 10 a.m. to 5 p.m. Sundays and holidays. The Meat Market is open from 10 a.m. to 6:30 p.m. Monday through Friday and 10 a.m. to 6 p.m. on Saturdays. A qualified butcher, Mr. Robert Marshall is on hand at all times. Both establishments will be closed all day Christmas.

Christmas Eve service will be held at Holy Trinity Anglican at 7:30 p.m. on December 24th. Everyone is welcome to attend.

MUNICIPAL DISTRICT OF STURGEON NO. 90

PROPOSED RECLASSIFICATION

It is the intention of the Council of the Municipal District of Sturgeon No. 90 to reclassify the following land use from "LOW DENSITY AGRICULTURAL" to "COUNTRY RESIDENTIAL Class B":

Part of the North East Quarter of Section 27, Township 57, Range 25, West of the 4th Meridian; containing 19.0 acres more or less.

Persons affected by or objecting to the said proposal may submit in writing to the undersigned the reason for their objections, or views on same, on or prior to January 18th, 1977. Should objections be received, a public hearing will be held at 7:30 p.m. on January 27th, 1977 in the Council Chambers of the Municipal District Office, Morinville, Alberta.

Facts you should know about
SHUR-GAIN
Liquid Supplements

Shur-Gain liquid supplements combine protein, energy, trace minerals and vitamins in liquid form to make a balanced package to balance hay, grain, silage or silage.
The advantages of Shur-Gain liquid supplement feeding are:
• Saves Labour - Frees choice feeding hawks time.
• Saves Feed - Cattle require less roughage or silage with Liquid Supplement.
• Improved Nutrition Results in Better Performance.
• Better calf crop.
• Cows have less trouble calving.
• Better milk production results in faster growing calves, and heavier weaning weight!

• Little or No Waste - Losses from dust and spillage are minimal.
• Easier Nutrient Assimilation - All nutrients are dissolved in water and are readily available to digestion.
• Excellent Phosphorus Source - Phosphoric acid and ammonium phosphates are readily available for the rumen.
• Palatable - Shur-Gain Liquid Supplement has a very high molasses content which makes it very palatable.
• Liquid feeding works well even in cold weather.
• When you choose Shur-Gain, you get help in setting up equipment, pumps, tanks, augers along with convenient delivery.
• Shur-Gain Liquid feeds your cows better and proves when Shur-Gain Beef Research Centre.

A HOME IS TO LOVE

We don't believe in falling for just a shade tree or a little brook. But we feel you should be enthusiastic about the home you buy.

As long as a house is satisfactory to you in other ways, there really SHOULD be something that turns you on - one particularly charming feature, perhaps, or just a certain feeling.

We'll try hard to find the home you'll be happy in -- a sensible buy with that "icing on the cake" that makes it special.
